October was a spirited month as Homecoming approached. The week before was filled with extraordinary enthusiasm, as the Katella Knights joined their pride and spirit. This resulted in speeding through the campus on skates, wearing cherished hats, and dressing up on Sports Day to honor their favorite athlete. Friday's assembly brought back many alumni whose home was still Katella. The excitement over the game was overwhelming, though we met El

Modena in defeat. The halftime was definitely the highlight of the week. The Scarlet Chevaliers gave an outstanding performance in presenting its alumni leaders. The Knights showed great pride as Cindy Moser was crowned Homecoming Queen by last year's queen, Pam Heilesen. Senior princesses were Miss Shannon Dolan and Miss Lori Kirchmann. Junior Attendant was Miss Margie Boyer, and Sophomore Attendant was Miss Teri Lae.

Year's assemblies centered around excitement

At the outset of the year, assemblies were charged with spirit and enthusiasm. The Howdy, Farewell, and Homecoming assemblies followed their tradition of entertaining students of Katella. As the year progressed, we were lucky in having the World Karate Champions, and two rock assemblies; Shuffle and the History of Rock, with Shuffle giving a few people the opportunity of dancing with their long-legged lead singer. The History of Rock was enjoyed very much as it allowed the student body to view the songs and styles of the fifties through the present. Be-Bop Week and Spirit Week provided great material for assemblies as people leap-frogged, hula-hooped, chug-a-lugged and limboed, while the audience looked on, rejoicing that they weren't out there. Rhonda Gogos proved her creativity as some of the more noteworthy assemblies were produced at the end of the year, much to the relief of the student body who had been grumbling about a lack of variety.

Top: Jane Hunter performed in a skit at one of the Katella assemblies. **Top Right:** Jeannie Trujillo sold herself into servitude on Katella's slave day. **Right:** Mr. Danley and Knights were overwhelmed by Mr. McCarthy, Activities Director, as he masqueraded as the Red Rat at the Homecoming Assembly.

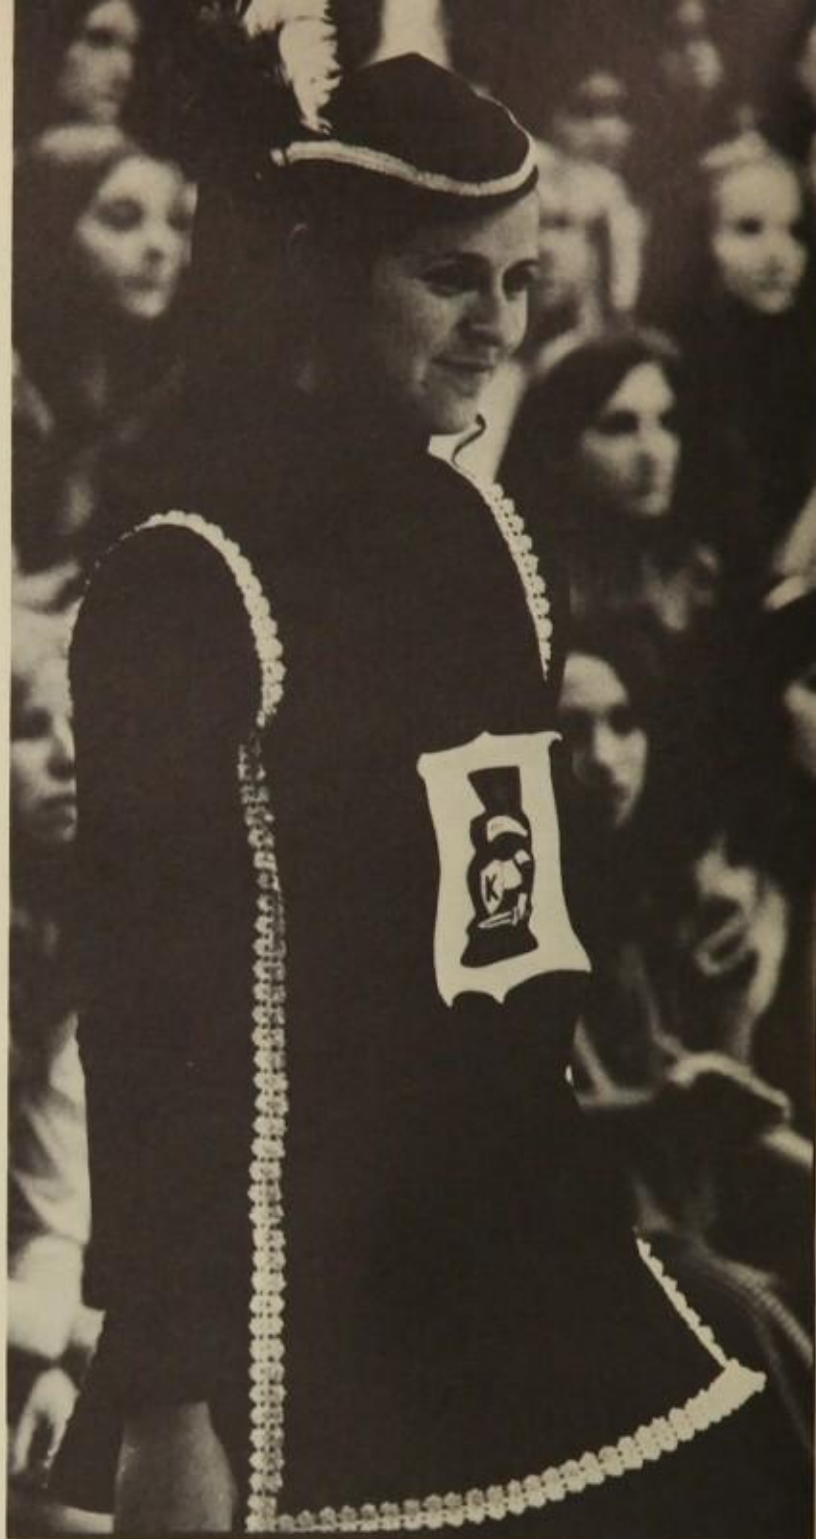

Above: The Musgrave brothers, Jim and Wayne, added a little culture to one of our special assemblies through poetry and song. Top Left: Dave and his band Shuffle gave a tremendous performance at one of the rock assemblies. Bottom Left: The Karate experts demonstrated the principles of self defense. Below: Hector Pujols and Jimi Hendrix, alias Pat Cadwell, freaked out Katella's Be-Boppers.

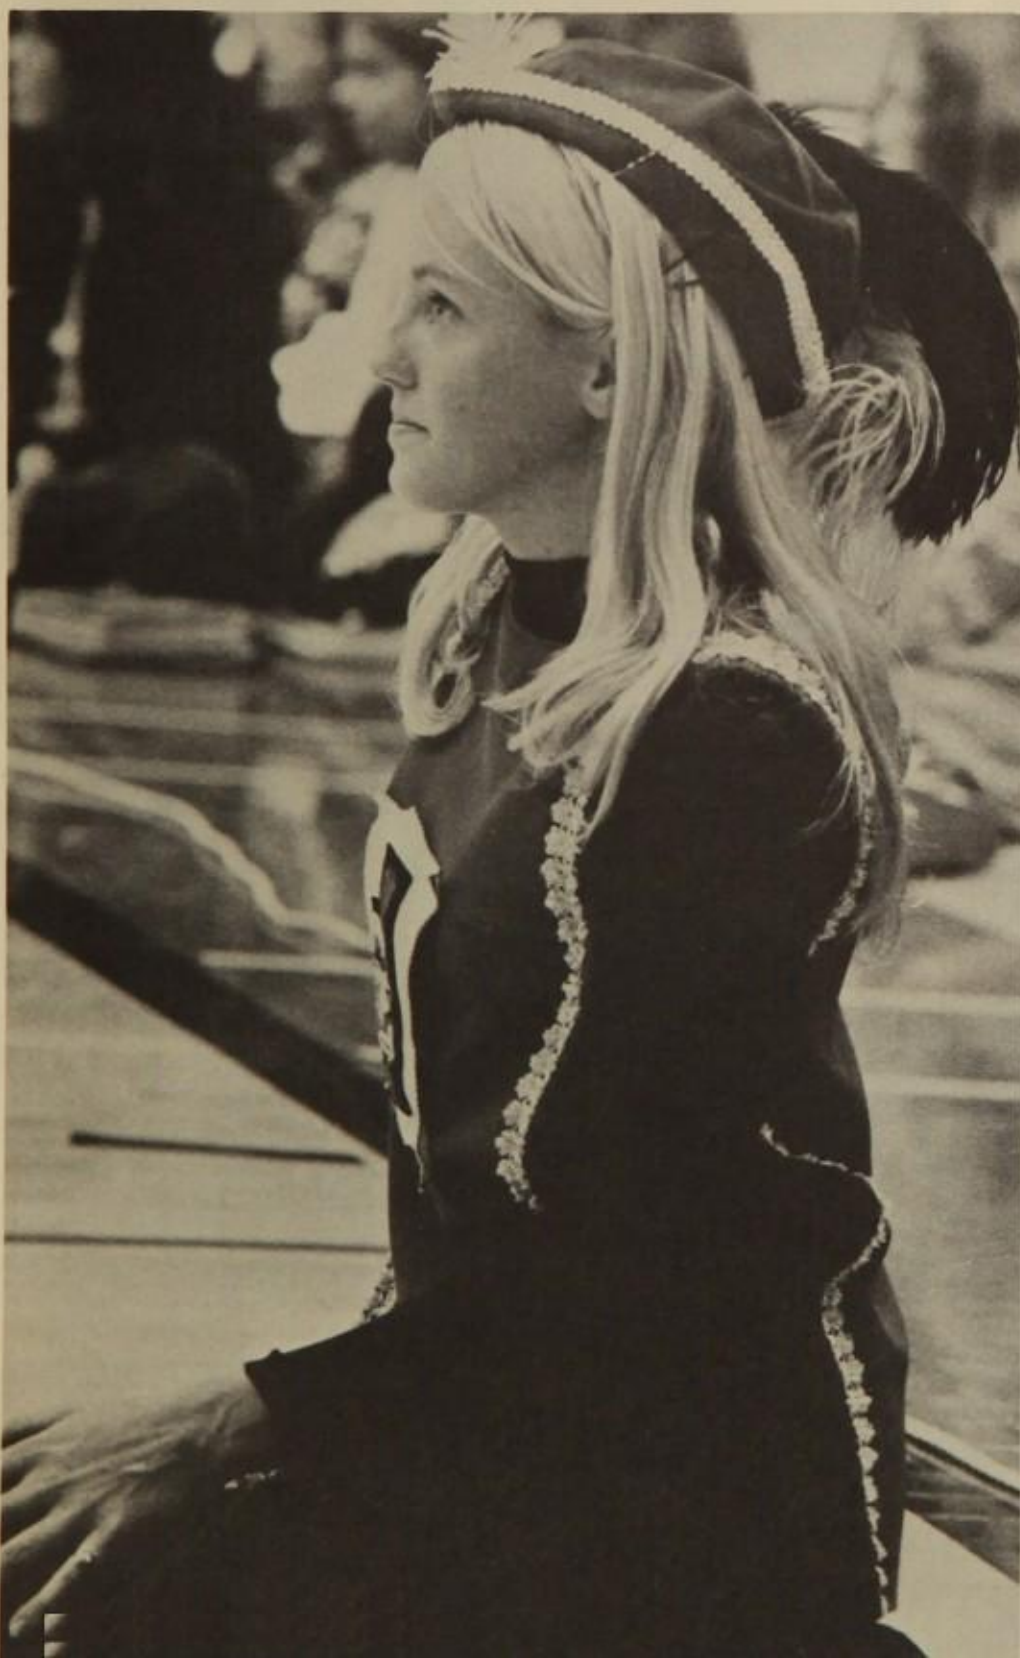

Pep Club: Spirit and pride enlarged and maintained

Top Row: K. Currie, H. Nix, S. Turnbull, D. Foster, G. Lewotsky, P. Franks, R. Miller, B. Rollins, J. Penn, T. Sims, S. Meinberg, T. Brennan, C. Allec, C. Barber, J. Bighead, K. Palmer, M. Allec, C. What would a game day be without the colorful sight of posters plastered on the walls? What would it be like not to find locker favors on the lockers or more practically, on the ground? What would Katella be without the enthusiastic Pep Club members that scurry around campus on a Friday afternoon? Besides contributing to the voice volume at games, the Pep Club put on two successful fashion shows and a Sweetheart dance. Lynne Bugbee, the pep commissioner for the club, put forth many long hours planning and scheduling the clubs' activities.

Opposite Page: Top Left: Suzie Kalinyak modeled the latest fashions in "Moonlight and Mistletoe." Top Right: Cathy Smith added much colorful talent to Katella through her achievements as one of our mascots. Bottom Left: Enthusiasm and pride shined through Pep Club members. Bottom Right: Lynne Bugbee, Pep Commissioner for 1973-74. **This Page:** Left: Katella's other mascot, Vicki Gawlas, was very pleased by the enthusiasm shown by fellow students. Spirit Week freaked the apathy crowd

Top Right; Super-mouse, semi-streaker, Mike Monahan discussed college plans for little 'teddy' with Jill Mitchell. **Top Left:** Mark Baltes and Tim Wilson matched their muscles in the arm wrestling contest. **Bottom Right:** A fastidious clean-up crew member strains for a Zemi cup stuck to the bottom. **Above:** Dave Watson exhibited Auto shop's customizing techniques.

The uncaring, unenthusiastic, and anti-everything crowd found themselves crawling out from beneath their undisturbed habitats only to find that sometimes getting involved can be worth a few good laughs. Involvement was the key objective in the well-planned activities for Spirit Week. It proved successful in occupying nutrition and lunch with some unusual feats of perserverance and strength. Pie-eaters provided many laughs, especially to those who were glad that they were only watching.

Arm wrestling, car smashing and VW pushing allowed Kahi students to exhibit tests of strength unmatched in these modern times. Those students who had throats the size of vacuum cleaner hoses were allowed to display their guzzling finesse' in the root beer chug-a-lug. Everything came off well, and it was a good week for craziness.

Top Left: Mike Nuttleman, Larry Recker and Mike Roe said cheese to the camera while attempting the horizontal rope climb. Left: Even if he did lose the chug-a-lug, Kris Locken knew he'd get a free root beer. Above: A new technique for eating, involving assimilation of food through the nose and skin pores allowed this student to quickly finish his mid-day snack.

The Knights Marching Band, Chevalier

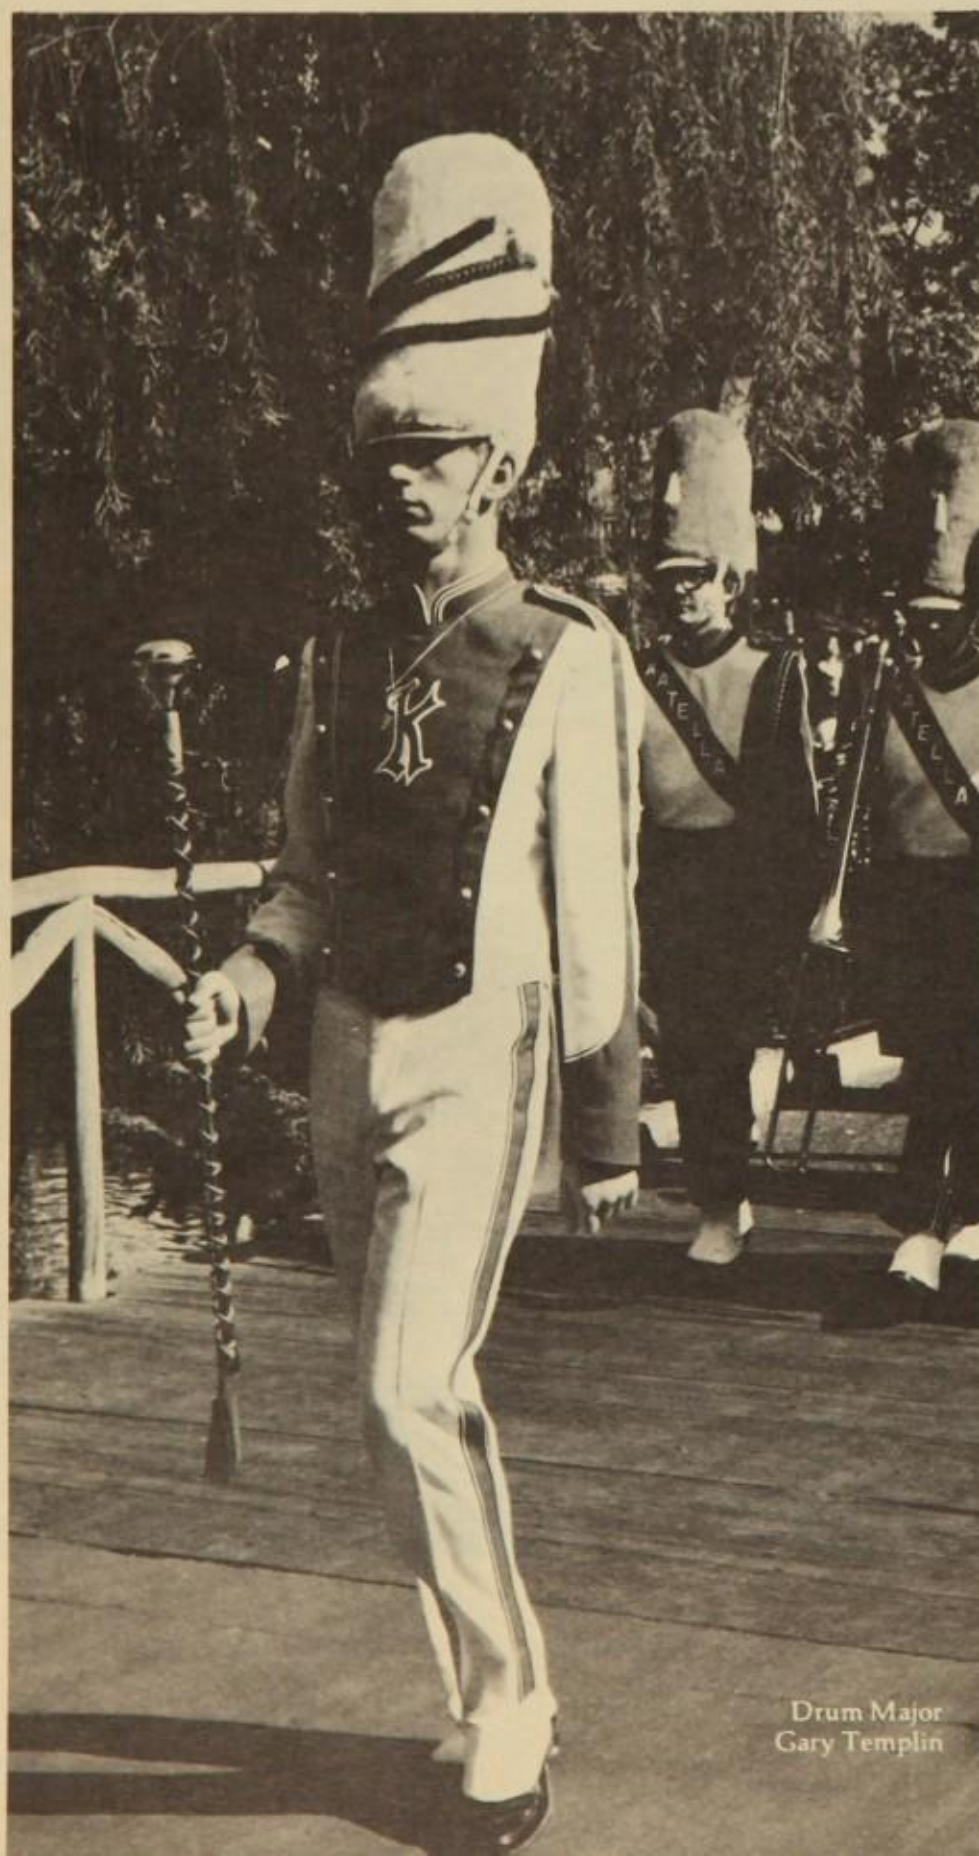

Drill Team achieved a unity, a pride, a tradition of excellence

Katella marched at the Santa Monica "El Primo" Band and Drill Team Review under the musical direction of Mr. Bob Cotton. The drum squad led by Tom Verdegem, Dennis Taylor, and Jim Hukari, was successful here with a first place over seventy-five other drum squads. Banner carriers showed form and precision at a filming through nearby Disneyland. Head drill team leader Patti Ditmar was a prime example of the pride and excellence felt by our drill team as displayed here during practice.

The Katella Band and Chevalier Drill Team marched to the tune of two new advisors in 1974. Mr. Bob Cotton directed the band and Mrs. Joan Hueter advised the drill team. Under the leadership of drum major Gary Templin and his assistants Marty Johnson and Randy Lillie, the musical marching squad performed and competed successfully throughout the year. Patti Ditmar, Rosalind Hood, Laura Morte, Edrie Killingbeck and Teresa Craven put forth long hours in executing their authority and guidance over the drill team.

Practice for these groups, beginning in early August entailed getting up with and sometimes without the sun. The learning of music and routines occupied much of their time in preparing for the wall-to-wall schedule of fall performances. The excitement of the parade season brought honors to the Knights units including the band, drill team, twirler, and percussion squads. All these units placed respectively at Rosemead, Santa Monica, West Arcadia, and All Western Band Review. Pam Pietrok, Katella's solo twirler received a first or second place at every competition while the drum squad placed first at both Santa Monica and West Arcadia parades. Also out in front to present Katella were the banner carriers led by Karla Kjellin and the flag carriers led by Cheryl King. Our band and drill team found that the high spirit of competitiveness and enthusiasm made all the hard work and practice worthwhile.

Highlights of performances

Everything came up roses for the Katella Band and Drill Team. Out of the four-hundred and twenty applications sent in, the band and drill team were among the lucky twenty-one selected for this honor. Along with all the glory and excitement that comes in the Rose Parade, the band and drill team put in many long hours at the Anaheim Stadium in a preparatory march around the parking lot, sometimes as many as seven times around.

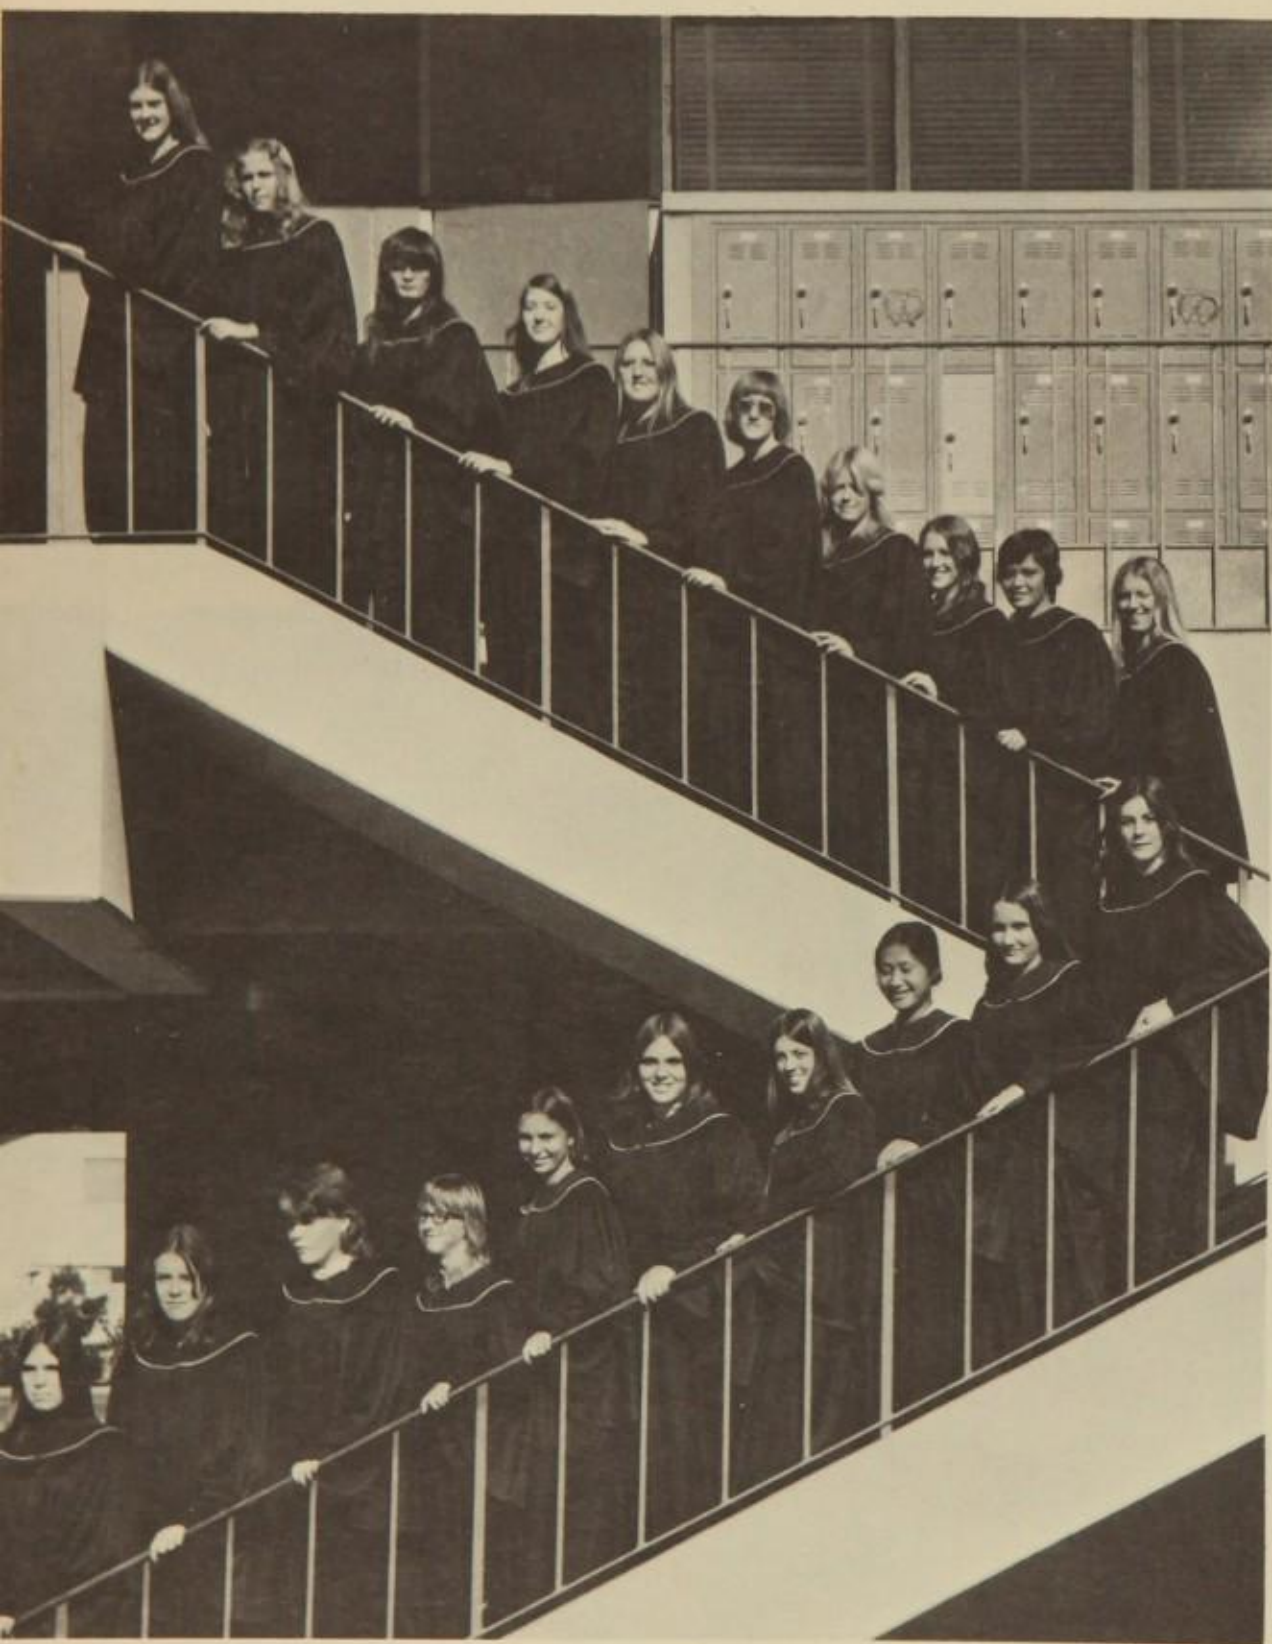

The two units traveled to Pasadena together the day before and spent half of the night sleeping at Pasadena City College. The other half became a New Year's Eve party bringing the two groups closer together in a big celebration. The next day held an unforgettable march that entertained over a million onlookers!

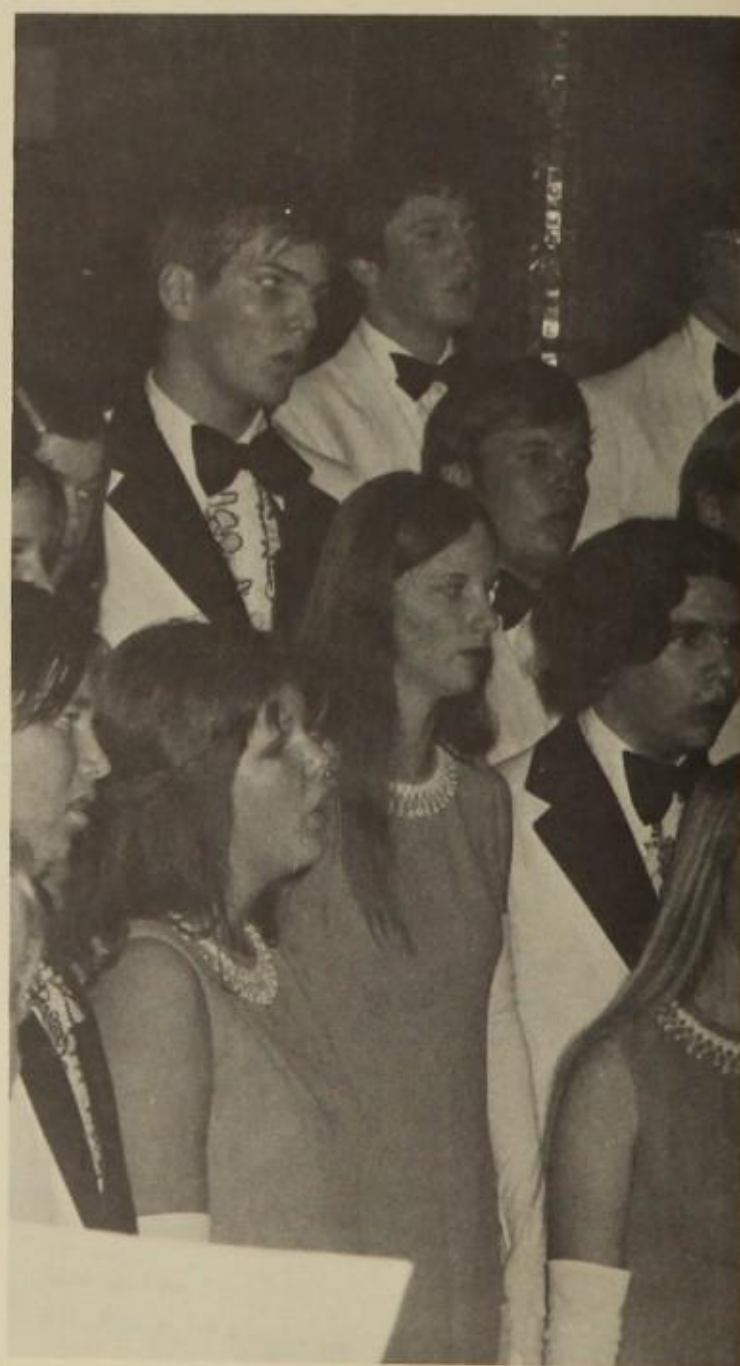

Knights dazzled with music mastery,

The Katella Vocal Department proved as active a group as ever, during the 1973-74 year. Many challenges were met by the choruses as they coped with tiring rehearsal schedules, overcame their fear of solo parts, and tried to keep their tuxes and formals decent during their annual tour up the California coast to San Fransisco. Madrigals and Acapella choir performed at the Carter Bowl, South Coast Plaza, and Holiday in Music.

Mr. Axworthy was again responsible for co-ordinating tours, performances and generally keeping the group together. Besides being the motivating force behind Madrigals, A Capella and Advanced Girls Glee, he supervised the production of the Holiday in Music Program. His directing finesse showed throughout. The sellout show was ended on an inspirational note, when all the choirs in the district sang "O Holy Night" as has become traditional since its introduction several years ago.

Due to the large number of students taking an interest in skiing, the Snow and Water Ski Clubs became larger and more active than ever before. Even though snow was not as abundant as last year, many more trips to local ski areas were scheduled and taken. Off-the-slope activities included silk-screening shirts and viewing various ski films. The Water Ski Club attracted more interest in the warmer spring months when the club was most active. Trips to the Colorado River and an Environmental Clean-up Day were being considered.

Girls Athletic Association

The Girls Athletic Association gave members the opportunity of participating with other schools in sports events such as basketball, softball, volleyball, hockey and track. Many hours of practice before and after school helped girls develop skills in sports, sportsmanship, and teamwork. G.A.A. Cabinet members met weekly to discuss ways of raising money for new equipment and scheduled events. During the year, girls sold suckers, owl wind chimes, Christmas tags and Valentines. At the end of the year the Awards Banquet recognized members for their outstanding achievements.

Serving as a bridge between the administration and the students, are the members of the student cabinet. Their functions throughout the year stretched far and wide. Their main responsibility was distributing the finances amongst clubs, organizations, school projects and any other curricular activities. Outside of Katella, the cabinet also had the task of keeping good relations among the schools of our district and county.

The officers were elected on their leadership qualities by last years student body. They got together fourth period to discuss the ways to make Katella more enjoyable. But class time wasn't the only time spent by cabinet members on problems. Many extra hours were put in working on how to build school pride amongst the students, building new lunch area planters and several meetings to determine their major goals and objectives for the year. These were:

1. The completion of the Student Park
2. Achieving better campus unity
3. Campus Improvement
4. More and better entertainment
5. Maintaining school spirit
6. Improvement of publicity

The I.C.C. (Inter Club Council), was composed of people who were leaders in every sense of the word. They represented every walk of life from athletic clubs to scholastic organizations. They were all individualists with one common goal, to get everyone involved in some type of club. Whether student interest was mental or physical, they made sure to provide an activity climate for proper club growth. The result was a variety of clubs which suited the student here at Katella.

House of Representatives was composed of students elected in their first period classes. Though large in size there was little confusion as Reps usually agreed on what they wanted done. Headed by Brad Foster, Speaker of the House, committees were formed to help improve our cafeteria food, and to challenge the new bell schedule.

Our campus grew bigger and better throughout the year. After much effort by the student government we finally got our pool and after two years in the planning, the student park neared completion. Sprinklers and planters were also added.

Interact involved with handicapped

Interact's top goal this year was to raise money for the cripple foundation in support of its lobby. Through its many fund raising programs, such as selling Christmas stockings, Chocolate Easter Bunnies, and peanuts at the football games. They achieved this goal. Along with that, they made wall decorations and started reading programs, where members went and read to the handicapped. Mr. Klinkhammer, advisor for the club, said he "hopes to see many more performances done by Interact club in the years to come as well as the help they've already provided."

Fellowship of Christian Athletes grew in importance

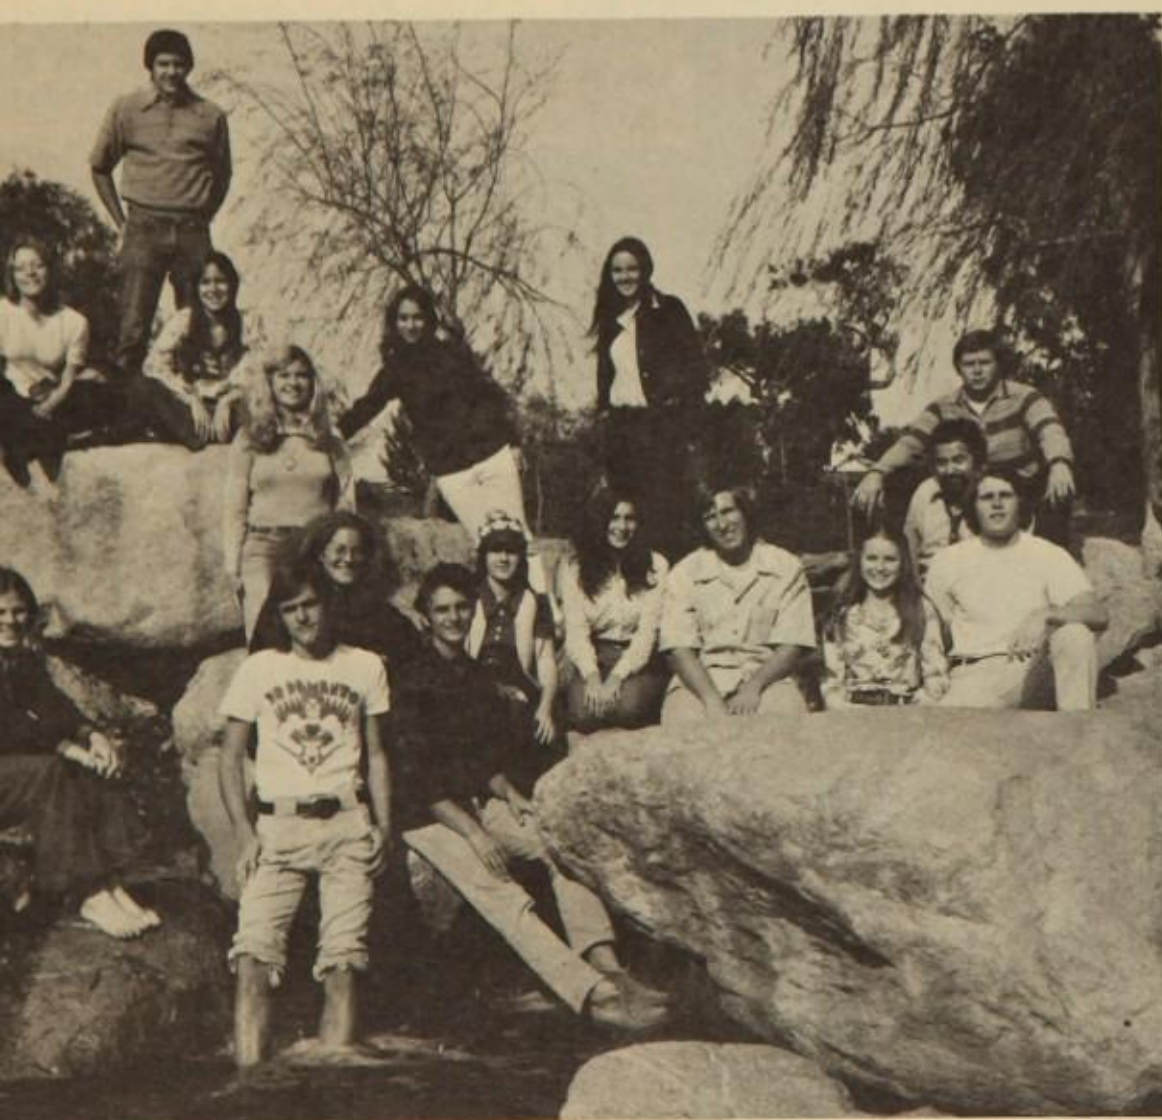

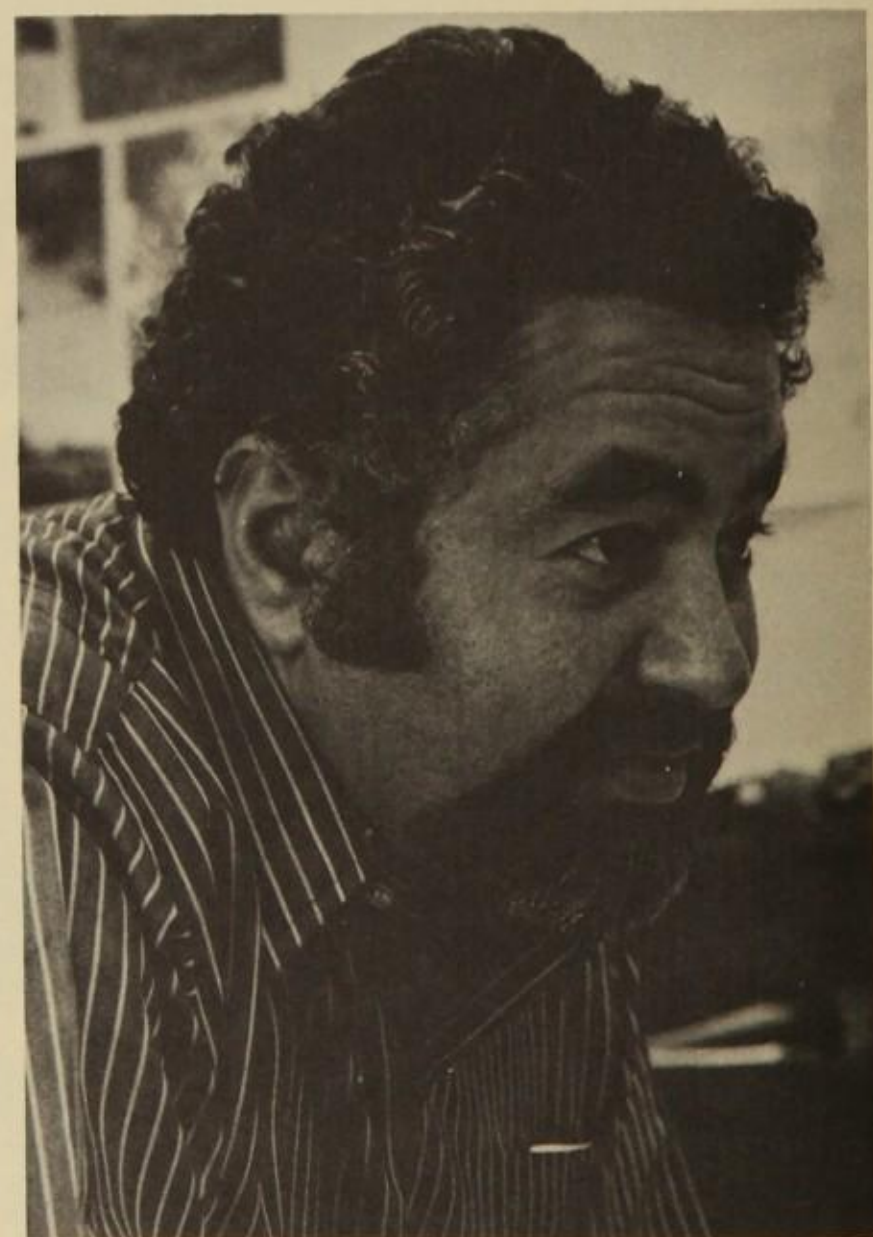

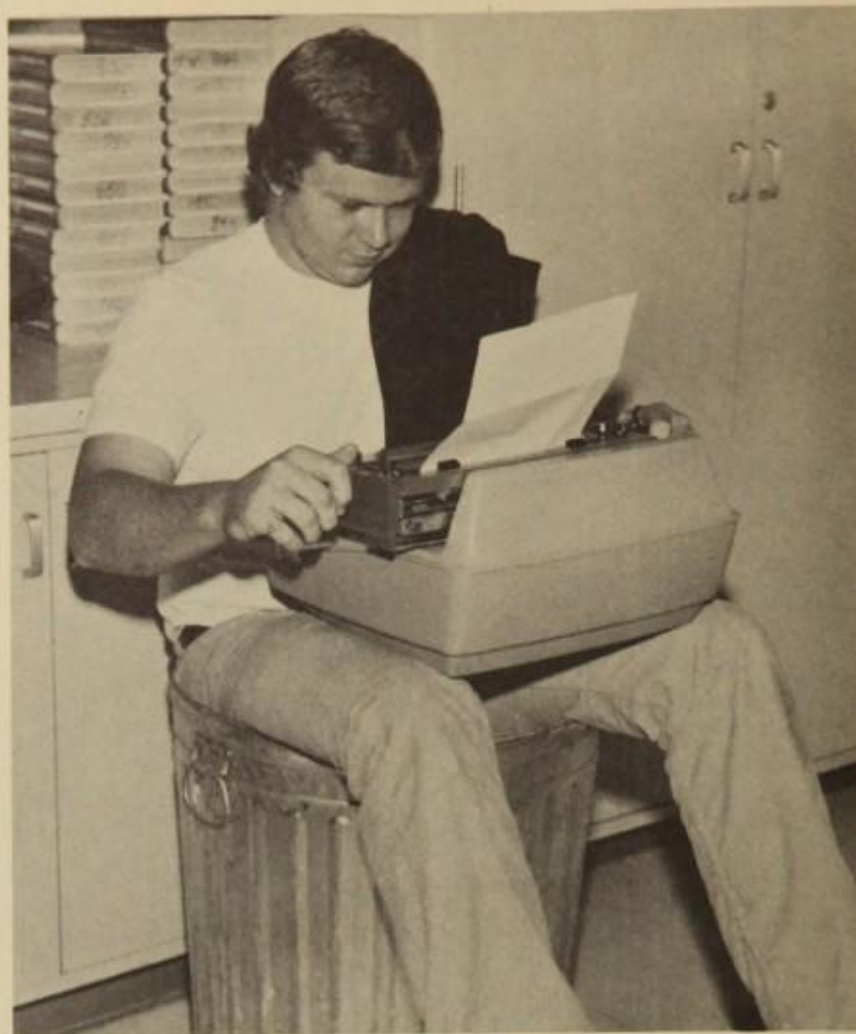

In its second year of existence F.C.A. doubled its size of members and its importance on campus. This year the fellowship was involved in assemblies, fund raising programs for the athletic department and field trips for its membership.

Top Left: At one of the clubs night gatherings, Mr. Werschke, the club's advisor, opened the meeting with prayer. **Top Right:** The fellowship was formed to show that athletes have concerns other than just sports.

Yearbook: Energy saving staffers caught barely streaking across deadlines

Perhaps the hardest part of yearbook staffing for many of our inmates, came when it was time to get back into the normal stream of everyday Kahi living. Finding it hard to re-adjust many staffers felt awkward eating lunch outside of Room 17, without so much as a proof sheet to look at. The mere mention of emotional topics in the casual lunch time conversations, such as deadlines or ten point, caused many a lip to tremble. Many found the outside world unchallenging with it's few and far between earth-shaking problems and longed for the life of a roving reporter. Unfortunately, the shock proved too great as some staffers, unable to cope with the hostile environment, fell by the wayside when they no longer had their birthday celebrated by loud-mouthed yearbookies. Alas, they were such a good group. Seldom the day went by when they did not have at least a mildly humorous joke or a refreshing tidbit from the Photo Staff. But perhaps a bit of the traveling minstrel in them all can be gleaned from these precious pages, harvested with their own toil, if not always out of love, perhaps obligation.

Knight's Staff '74 produced a great series of papers to keep the Katella campus informed. Keeping the school's activities posted and up to date was only part of the job of a staff member. Digging up scoops outside the campus, like covering rock concerts, the energy crisis and movie ratings was also in their busy schedule as they attempted to keep the student body informed on the world around them. Using artistic drawings by Cindy Moser and Tod Lychkoff, they added to the interest of the readers. Mrs. Lois Butler was their advisor and she helped the students with their grammar and gave other journalism tips to keep their stories well written. Running out of ink and paper, not enough typewriters, late stories, figuring out layouts, interviewing the impossibles and being late to class were just a few of the problems that they faced, but overcame and each paper was well worth reading.

Photo Staff advanced film

The photo staff, operating this year with expanded facilities, once again went about the business of documenting Katella life on film. In between their busy shooting schedule there was always time for a little good-natured fun. Games like "throw the sponge", "freak-out the loadie" or "scream at Mr. Parrott" were frequently played by photo and yearbook staff members. Their hard work provided many valuable yearbook photos, and through it all, they never lost their sense of humor.

Understanding different cultures was the purpose of the foreign language clubs. The German Club, with Bob Wagner as president and John Giberson as V.P., took a dinner trip to the Phoenix Club where they sampled Bratwurst and Kase as well as German films. The main goal of the club was to raise money for a future field trip to Germany. The Spanish Club, besides electing Caroline Talichet president and Debbie Griffiths V.P., ate at Mexican restaurants where they tried out their Spanish on the waiters. Their trip to Ensenada was the highlight of the year. The French club prepared French dinners and snacks throughout the year. Caroline Talichet, also French Pres. planned for the club to see the J. Paul Getty Museum on a field trip.

Alpine Village's spirit attracted Katella's German club.

Drama department brushed off towards a good year, by "The Skin of Their Teeth"

The year's opening theatrical production "The Skin of Our Teeth", was an excellent and very enjoyable play. The entire cast and stage crew put in many long hours of practice making the play

a big success. The play centered around the Antrabus family and how they were able to make it through the difficult crises of life by the skin of their teeth.

Top Middle: Dave Frehler, threatened any of those who touch his chair. Top Left: Bill Brummel got cast and crew together for warm-up excersises. Speech: Quality not quantity

Traditionally a large group the 73-74 Katella Speech Club experienced a dwindling membership. Despite quantity problem, the club fulfilled its winning image through individual awards. With the possible return of speech next year into the curriculum, the club may see a growing trend.

The Boardwalk scenery in "Skin of Our Teeth" was painted by Chris Locken and Lynda Grass.

Mitzi Rinehart applied makeup on Judy Airola before performances on stage.

A much needed drama workforce was supplied by the universally able-bodied Drama Club members. Having three stage productions this year kept them busy painting scenery, arranging props, and generally making too much noise behind stage during performances. For the profits to be gained, members harnessed themselves behind street vending apparatuses and propelled their svelte bodies around peddling goodies at games.

“Dark of the Moon” eclipsed starry-eyed Katella fan’s astronomical expectations

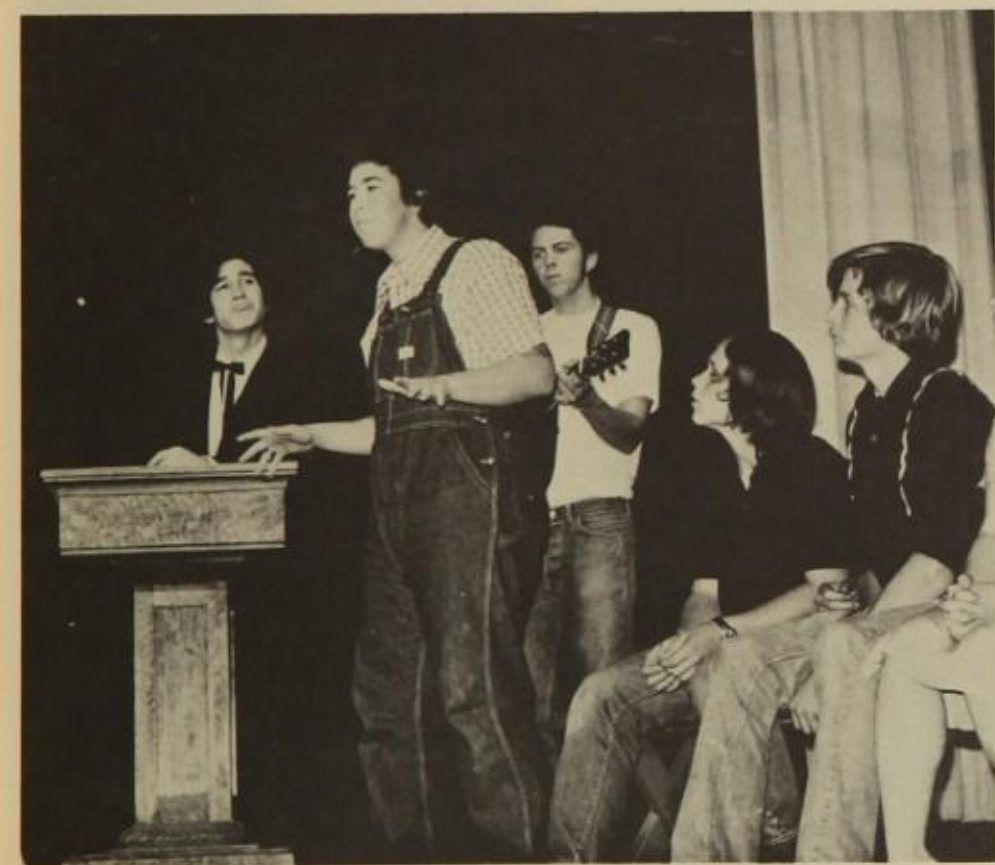

Top Right: Stage and Prop Crew **Top Row:** Rolland Wolf, Marcie Brown, Richard Vincent, Ron Stark. **Second Row:** Jeff Hunter, Steve Hall, Diana Giberson, Bob Wagner. **Kneeling:** Richard Conlyn, Roger Singer, Bob Morris. **Middle Right:** Fleet-footed Floyd Allen (Richard Vincent), was pursued by his Ma (Marie Dougherty), fer showin' off during the dance at Buck Creek. **Right:** Taking a nip now and then, Preacher Haggler (Scott Freeman), still managed to turn hapless souls, particularly Barbara Allen's, from the paths of wickedness and derision. **Above:** Taunted by the witch lovelies (Pam Murphy and Mitzi Rinehart), which he had forsaken, John the witch boy, found it hard to accept human Barbara Allen as his wife.

Dark of the Moon, the mid-year drama production, opened the eyes of Kahi teenyboppers to the world of "witches, white lightnin', and foot-washin' Baptists." Although white lightning was nothing new to some of the audience, the rape scene and good country music provided ample stimulation to their eager cerebrums. The story involved a loose and well-known country girl named Barbara Allen, who caused a stir of controversy in the small town by marrying John, the witch boy. In typical melodramatic style, Barbara Allen dies in the end, and John goes back to the halter-topped witch lovelies.

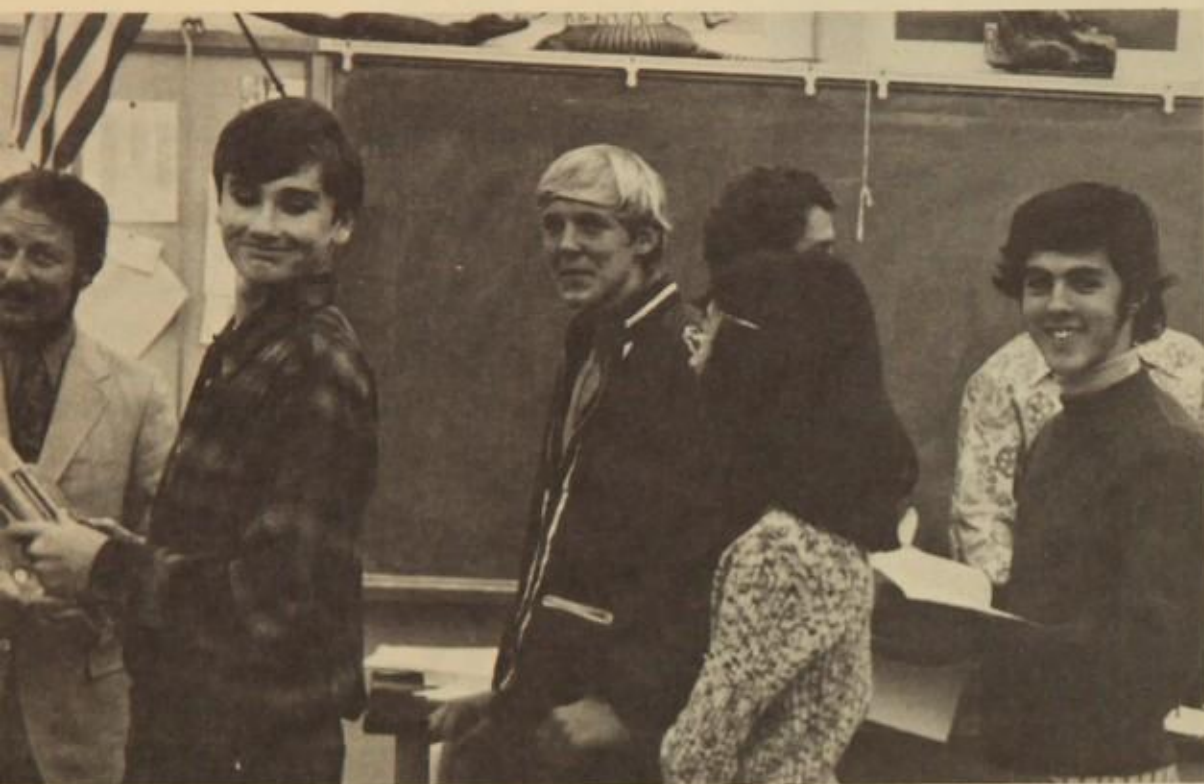

Director Mrs. Ninah Conlyn's esprit-de-corps gave added life to the play, along with the prop and stage crew's between-the-scenes excitement.

Top Left: Teresa Craven as Barbara Allen, and Bill Brummel as John, discussed the dubious legitimacy of their child, who happened to be a-burnin' in the yard. **Middle Left:** "My pockets was empty and my shoes was worn, so I had to take the cash from the register drawer," repented Uncle Smellicue (Dave Frehler), to Preacher Haggler and the rest of the mourners bench. **Bottom Left:** Unscrupulous witches, who always got what they wanted, manipulated Conjur Man (Richard Comeau), into betting the life of Barbara Allen. **Above:** Barbara Allen, saved by the grace, fell prey to the will a Gawd.

Although a smaller group than usual, TASK (Today's achieving scientists of Kattella), promoted interest in the many different areas of science. Fieldtrips and guest speakers were part of the year's activities.

One highlight was the guest speaker on acupuncture. Advisor Mr. Robert McMahon and president Cathy Filtz encouraged students to become involved in science.

With the recent gas shortage the trend towards non-motor driven vehicles has increased the membership in the bicycle club.

Most of the first semester was spent planning for spring field-trips to Featherly and O'Neil Parks, and a trip to Lake Elsinore. The club also became involved in city planning for bike trails.

Chess is a thinking sport, that stimulates and trains you to look at all angles of a problem. The Chess Club practiced hard at their meetings and showed their talent and skills at tournaments with other schools.

Art and Bowling Clubs worked after hours

Creativity and patience was shown by members of the Art Club. The individual artists worked after school with clay, needlepoint, batik and other art medias, with not one of the members enrolled in a classroom situation. The club visited South Coast Village at the beginning of the year to gather new ideas for upcoming projects. The advisor, Mrs. Escoe, taught two periods at Katella and made a special effort to come to the art meetings.

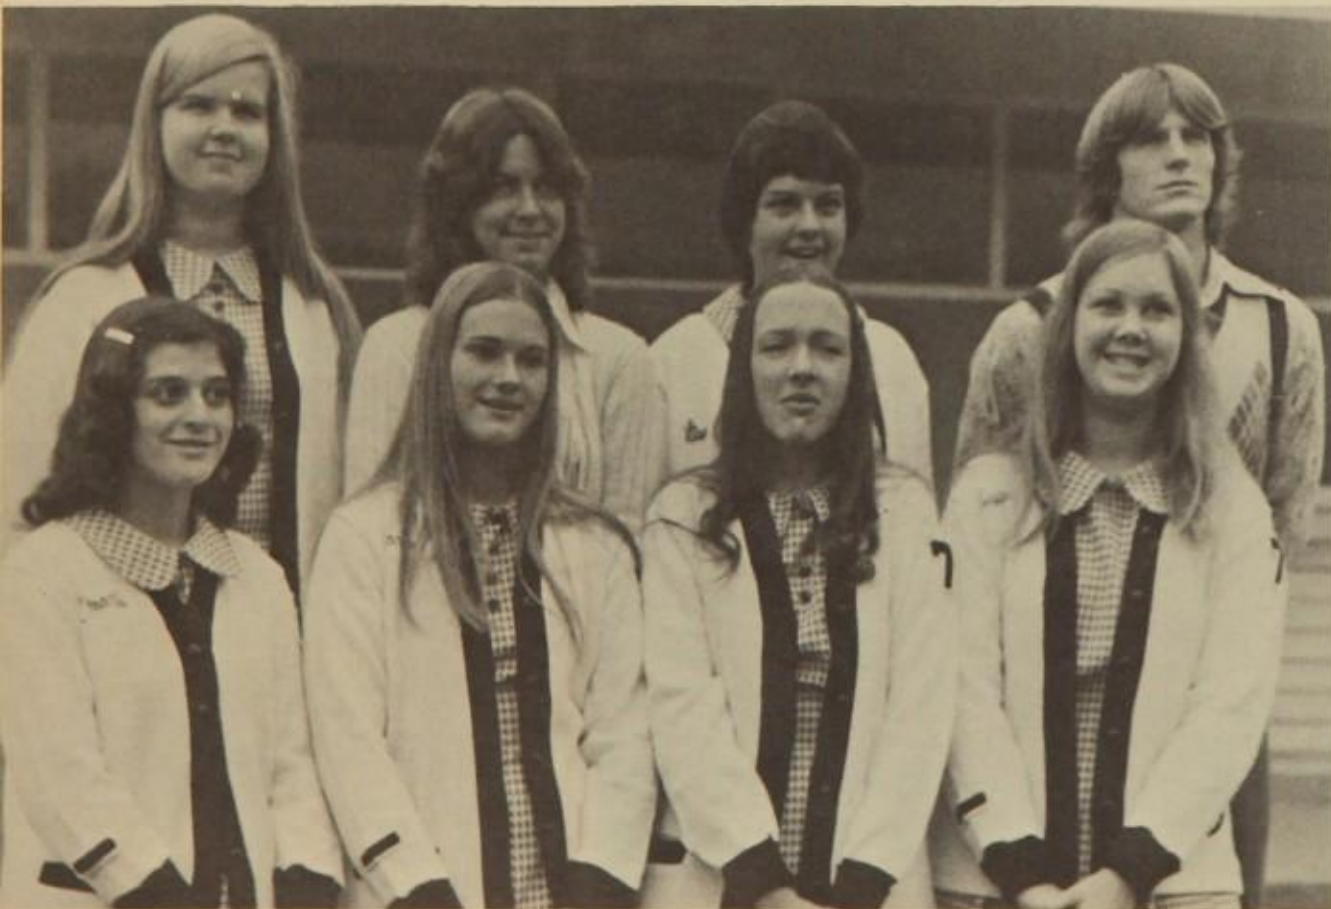

Weekly activities gave Bowling Club almost 100 per cent attendance. They bowled every Monday after school in individualized tournaments lasting the semester. Bowling members got to know each other very well and bowled more for the pleasure than for the winning.

Senior, Dudley Wakamatsu, showed precision and determination while bowling in the tournament.

New Media Center granted to Katella

Susan Reinoso and Steve Dolan took full advantage of library resources.

New equipment in Media Center gave students new and wider opportunities.

Below: Mr. McMahon believed that teachers should take full advantage of the new library resources in their classes.

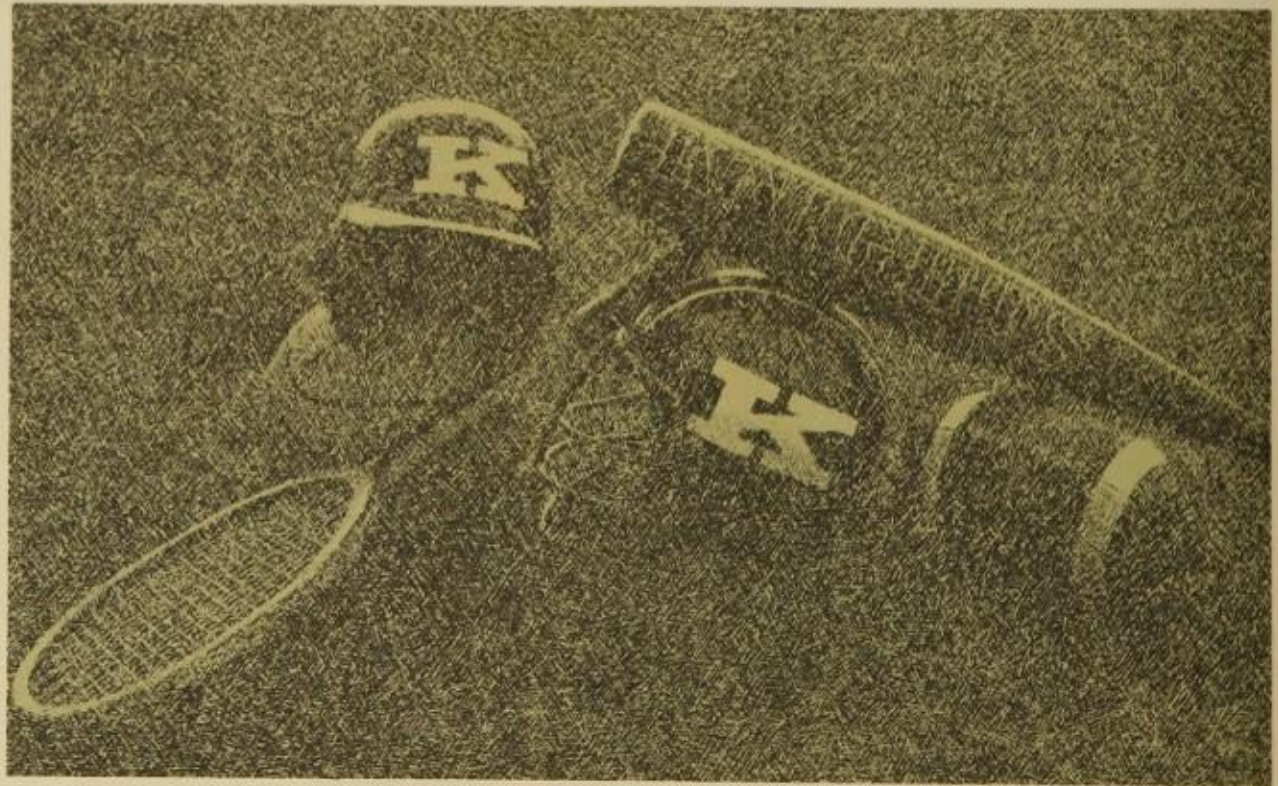

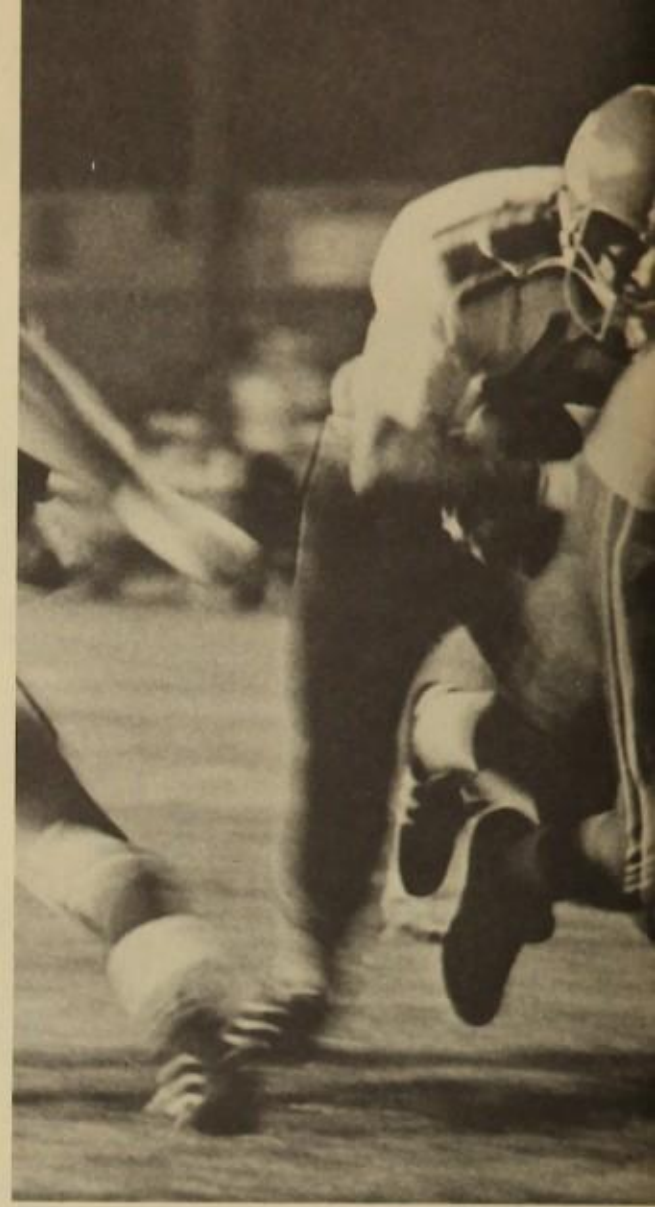

Library Staff: Mrs. Lambeth, Mrs. Lattimer, Mr. Nutt, Mrs. Rehm, during planning session under the leadership of Mrs. Bell, librarian.

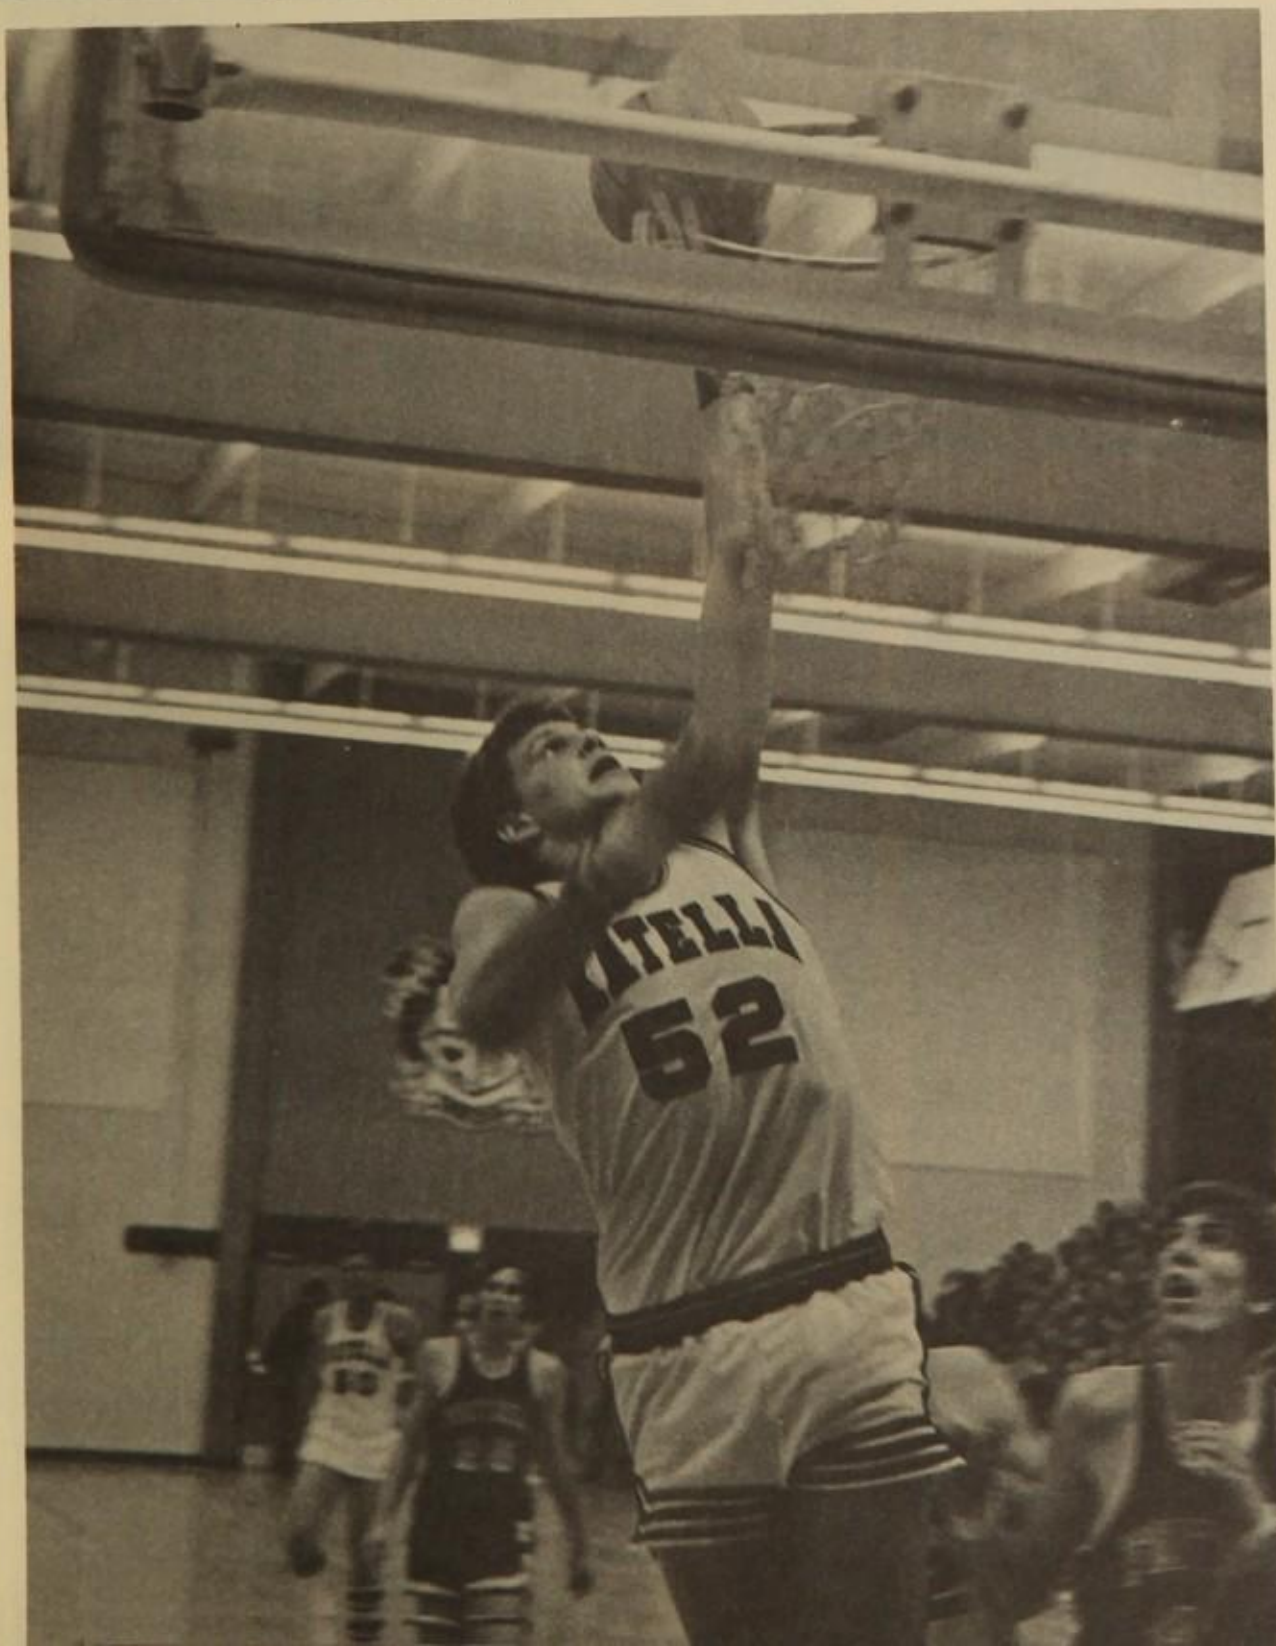

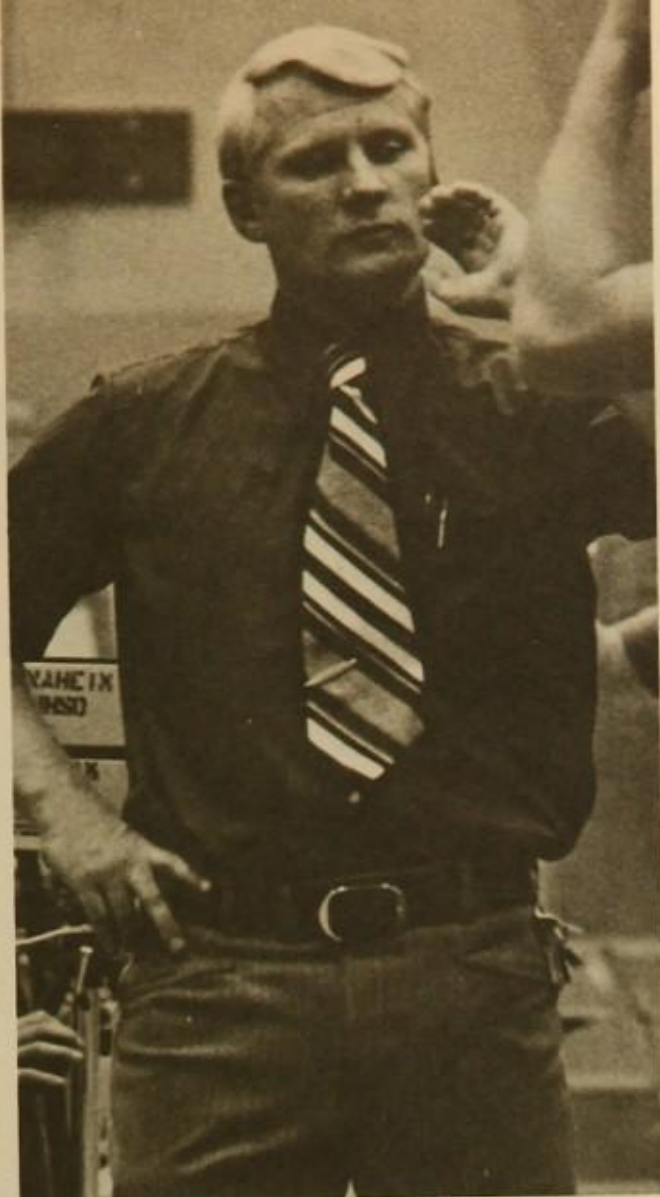

Left: Mrs. Bell, one of the finest and most dedicated librarians around.

Under the Elementary and Secondary Education Act, Katella received a \$123,698 grant to expand and improve our library facilities. Katella competed with schools from all over the state and received one of the highest grants. The Media Center doubled the size of our library. Microfilms, microfilm readers, tapes, filmstrips and projectors were only part of the new audio-visual aids. 12,500 books were added to make the total 22,000 with over 600 records, from classical to rock, which were added to the Media Center. New furniture throughout the library, two soundproof conference rooms, and a typing room completed the project.

Mrs. Bell, the library staff and several teachers worked hard to select materials that would help the students and teachers the most. With the efforts of these people, our library was one of the most complete school libraries around. During the month of April our library was designated as a model library and was open to the community for viewing.

After starting league play with a dominating win over Mission Viejo, the Knights suffered the turning point of the season with a 14-13 loss to Saddleback. The Roadrunners scored the first time they got their hands on the ball with a 58 yard scoring drive. But the next time the Knights got the ball, Larry Recker had a 24 yard blast and Rory Bertaina sailed in for the score. Halfback, Derek West, carried the ball for Katella against El Mo. Larry Recker and Don Walters blocked the oncoming defense.

Katella quarterback, Lanny Gore passed out of the pocket, against Foothill as he got blocking from tackle Joe Barney, center Ron McLaughlin, and halfback Rory Bertania.

Revenge-minded El Modena came to La Palma Stadium ready to play as they shocked the Knights 17-7. Despite the efforts of Glenn Evans on his touchdown scoring catch, the Knight's were behind most of the game. The first half was all El Modena as they rambled up the Katella middle. Coming out after halftime, Katella began throwing. Moving down the field, Sater hit Evans for a touchdown. The defense began to halt the Vanguard's running game, but it was too late for the Knights as they were unable to overcome El Mo's lead.

Katella High School's football season ended with a 2 win 5 loss record. The Knights had a victory over Mission Viejo, then lost 5 straight games, but came into their own with a muddy 7-0 win in a game that raised them from the cellar of the Crestview League. The game which kept both Katella and Orange on the ground due to rain, had its only score on a key fumble recovery by Volker Schrezenmeier on the Orange 16 yard line. The Knights then drove down to the one yard line where quarterback Lanny Gore scored on a one yard plunge. The Knights defense then rose to the occasion allowing the Orange Panthers only one yard net gain in the second half to preserve the win and conclude the 73-74 football season.

Even though the numbers weren't great, the attitude was throughout the season. This was the feeling expressed by coaches, Mike Hunkins and Doug Peterson. With their leadership the sophomore football team developed into a fine, improved football machine. During the course of the season, certain individuals showed much promise for next year. The backfield all year did a fine job with Mike Domene leading them at quarterback and J.D. Ecrement averaging more than a touchdown a game. The defense was anchored by the efforts of linebacker Joe Villalobos, guard Frank Marshall, and end Breck Auten.

The dedication all year of Dale Feutz, shown here against Villa Park, was a definite bright spot of this '73-'74 Cross Country season.

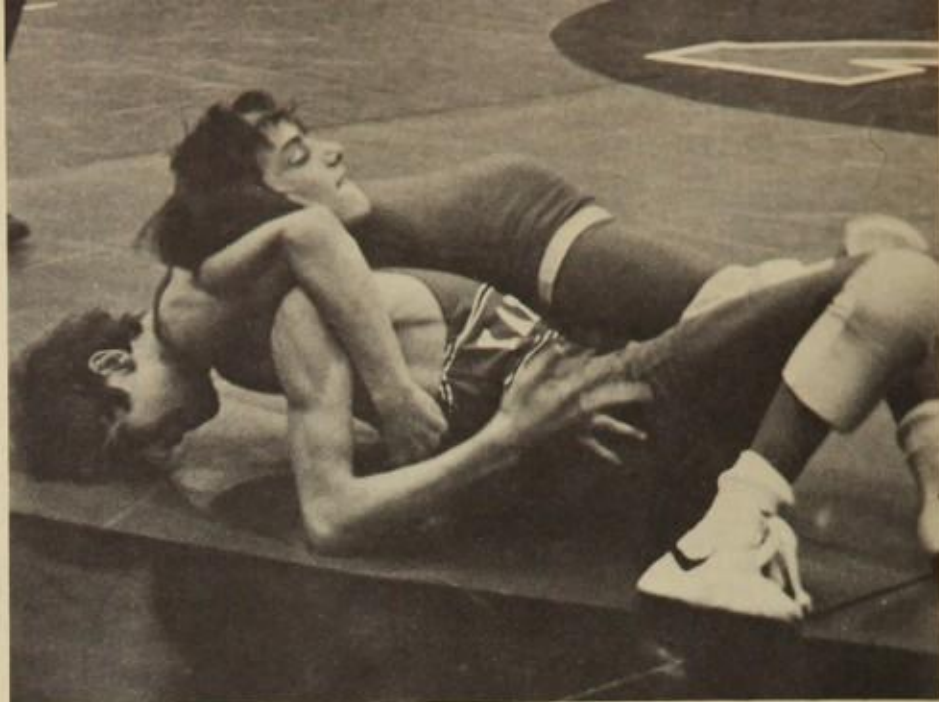

Wayne Russell, Jim Trentin, and Scott Freeman, with hard running provided tough competition all season for Crestview League runners.

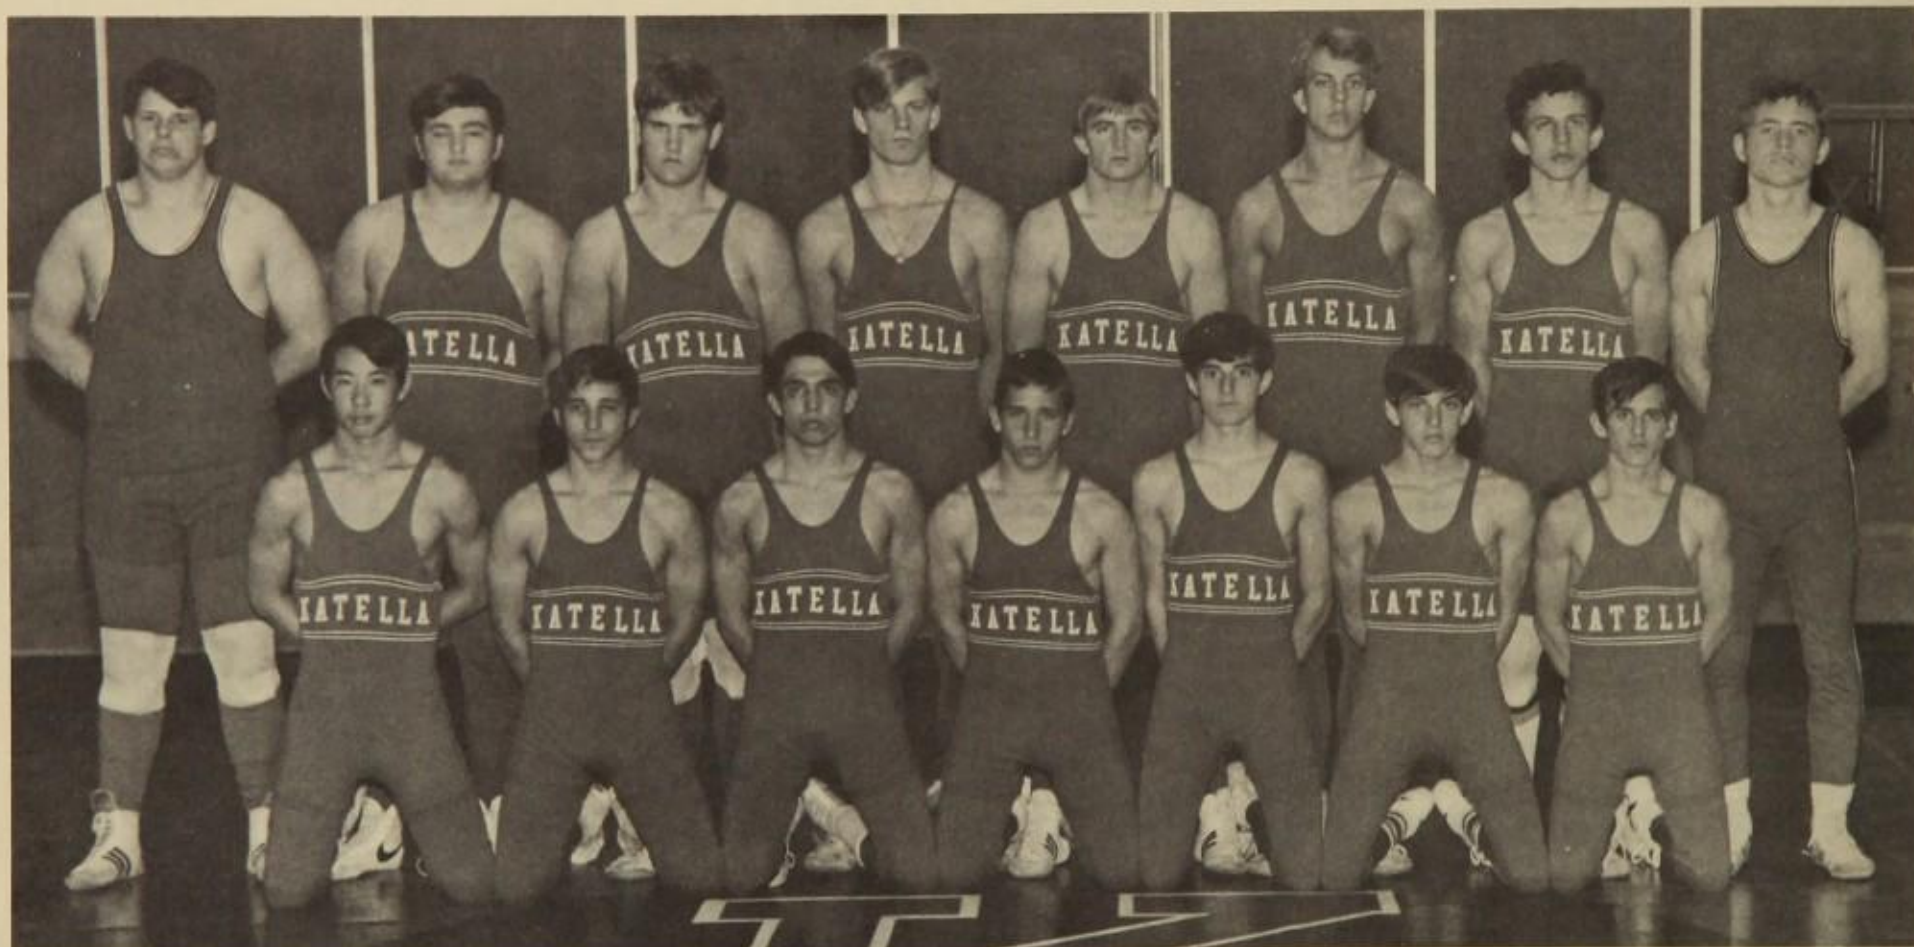

The Cross Country team started the season with an upset victory over Anaheim, but then ran into the extremely tough Crestview League competition. With only eleven runners and a change in coaching, the team had a rough time but worked hard and had a few bright spots this season. These included a fifth place in the Anaheim District Cross Country meet and an upset victory over Tustin. The Varsity was led by Tom Baker, Jay Freeman, Pete Gray, Dale Carlson, Steve Woodyard, and Scott Freeman. Dale Feutz, Wayne Russell, Dan Jobe, and Jimmy Trentin pulled up the slack in the J.V. division. Next year Katella will enter a tougher and more competitive cross country league.

Wrestlers streaked to undefeated pre-season

Heavy Weight Mark Wyman fought for two important points on a take down.

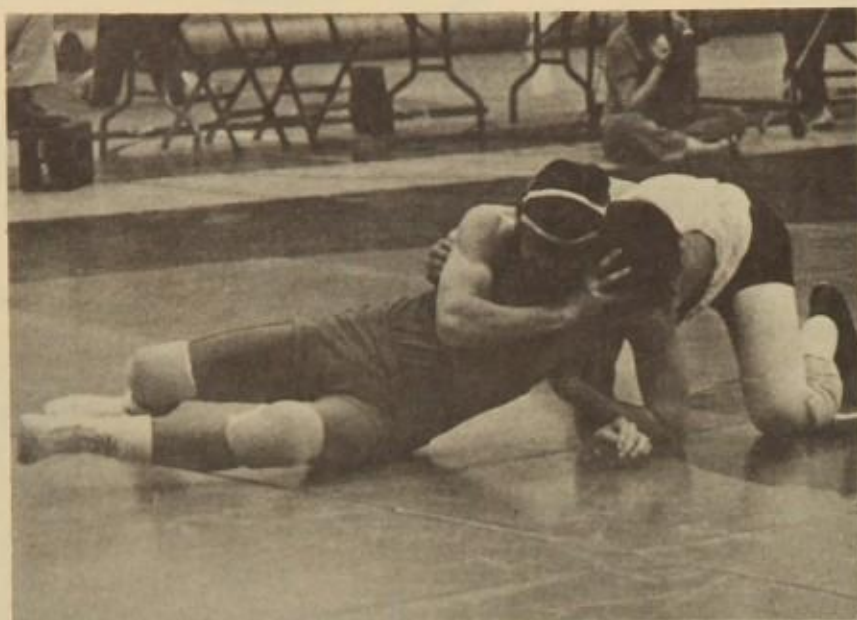

Varsity Captain Rod Bailey put on one of his best moves in an effort to pin Tustin opponent. Bailey was an asset to both Coach Phillips and the whole team.

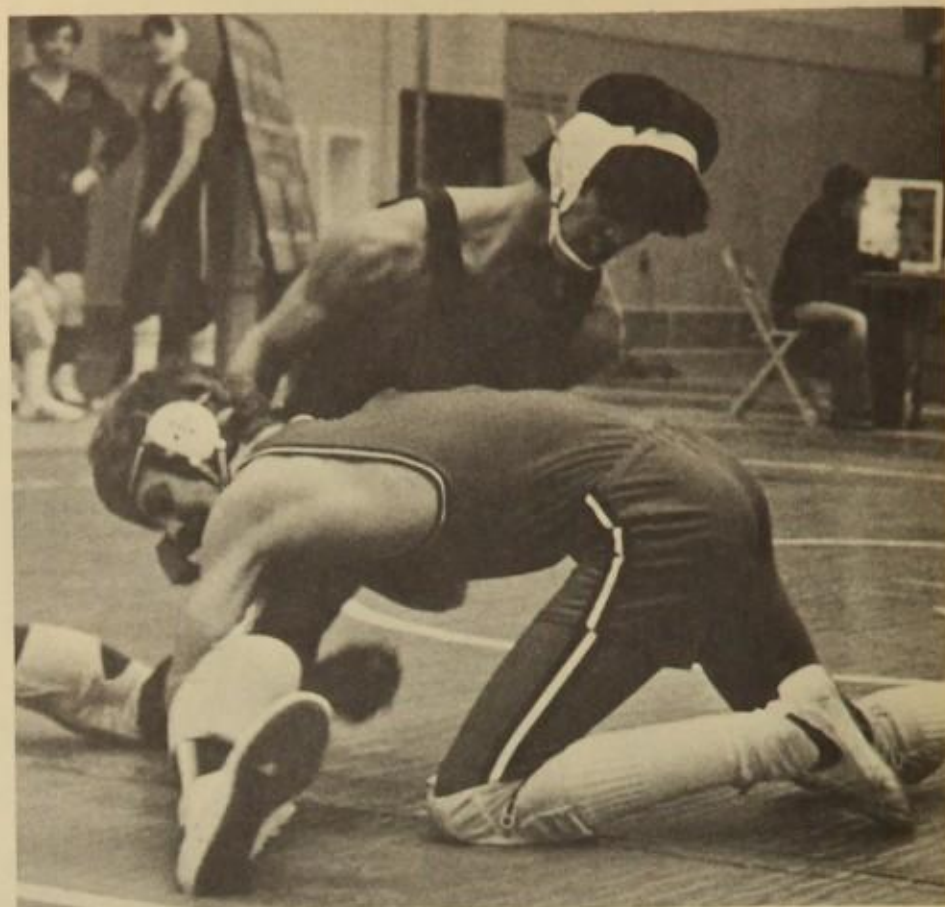

Steve Huegerich discussed oncoming match with Coach Phillips.

Following an undefeated pre-season this year's wrestlers have finally given Katella a contending team. This was quite an accomplishment considering Crestview League foes such as El Modena, No. 1 ranked in Orange County, and C.I.F. rated Mission Viejo.

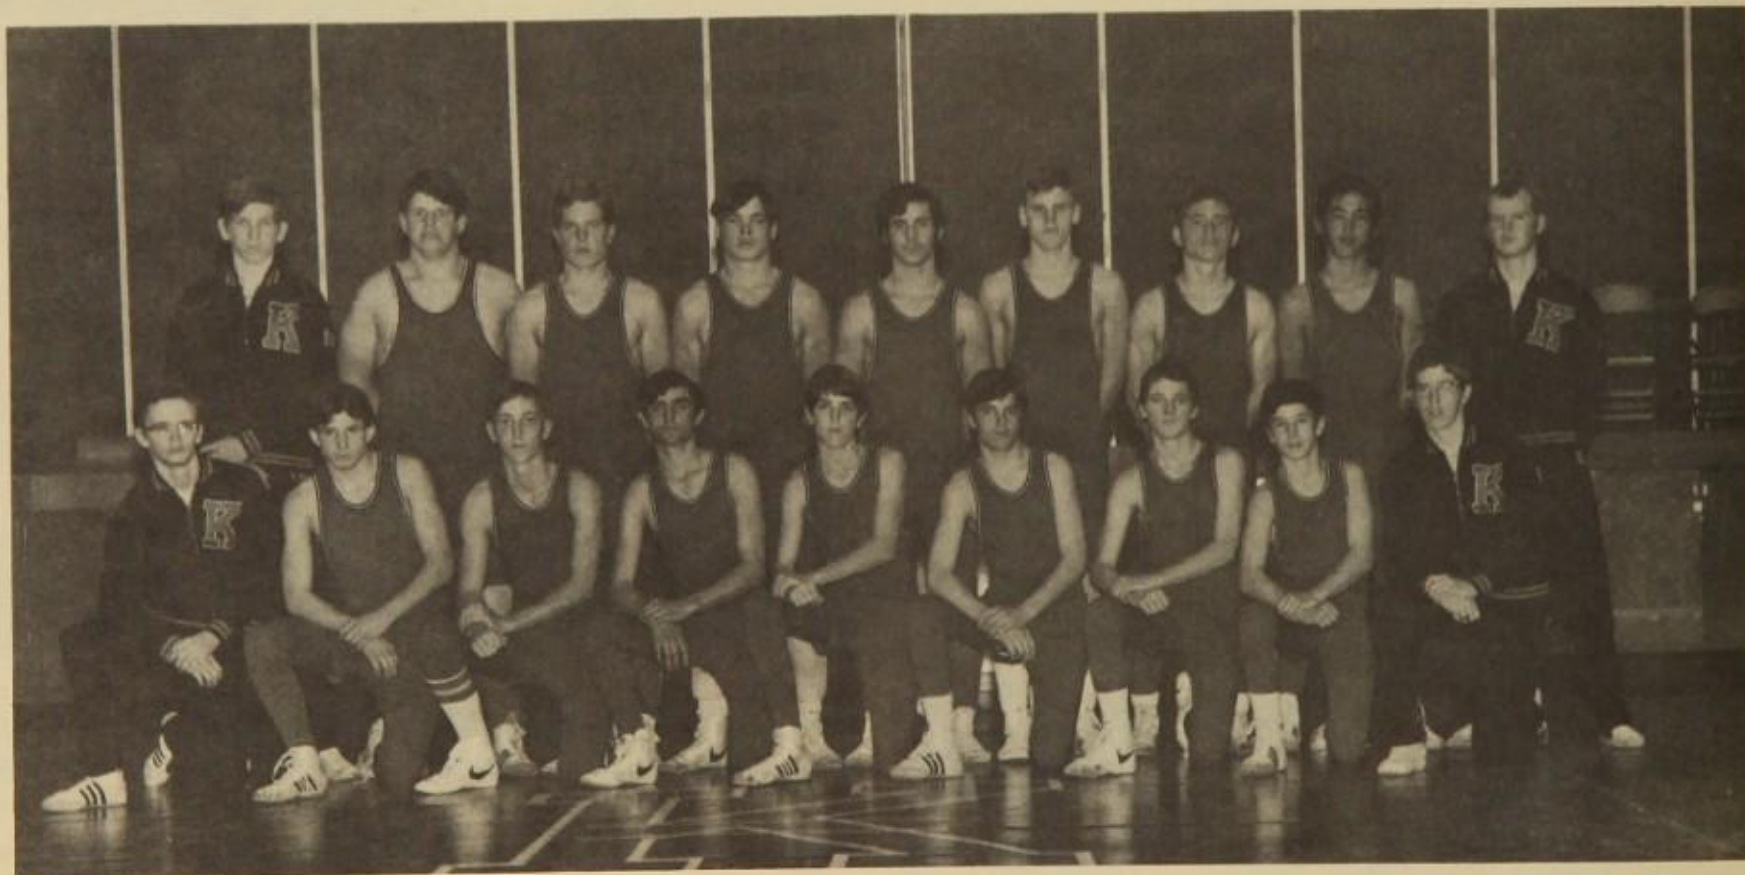

Coaches Phillips and Werscke stressed team goals rather than individual gains. However the wrestling team had several standouts this season; Russ and Frank Ippolito, Gavin Skomars, Brad Ennis, and Dick Bidwell, were in the spotlight many times this season. The overall attitude and record of this year's wrestlers was excellent.

Soph. Ted Hamner tried an escape in a hard fought JV victory.

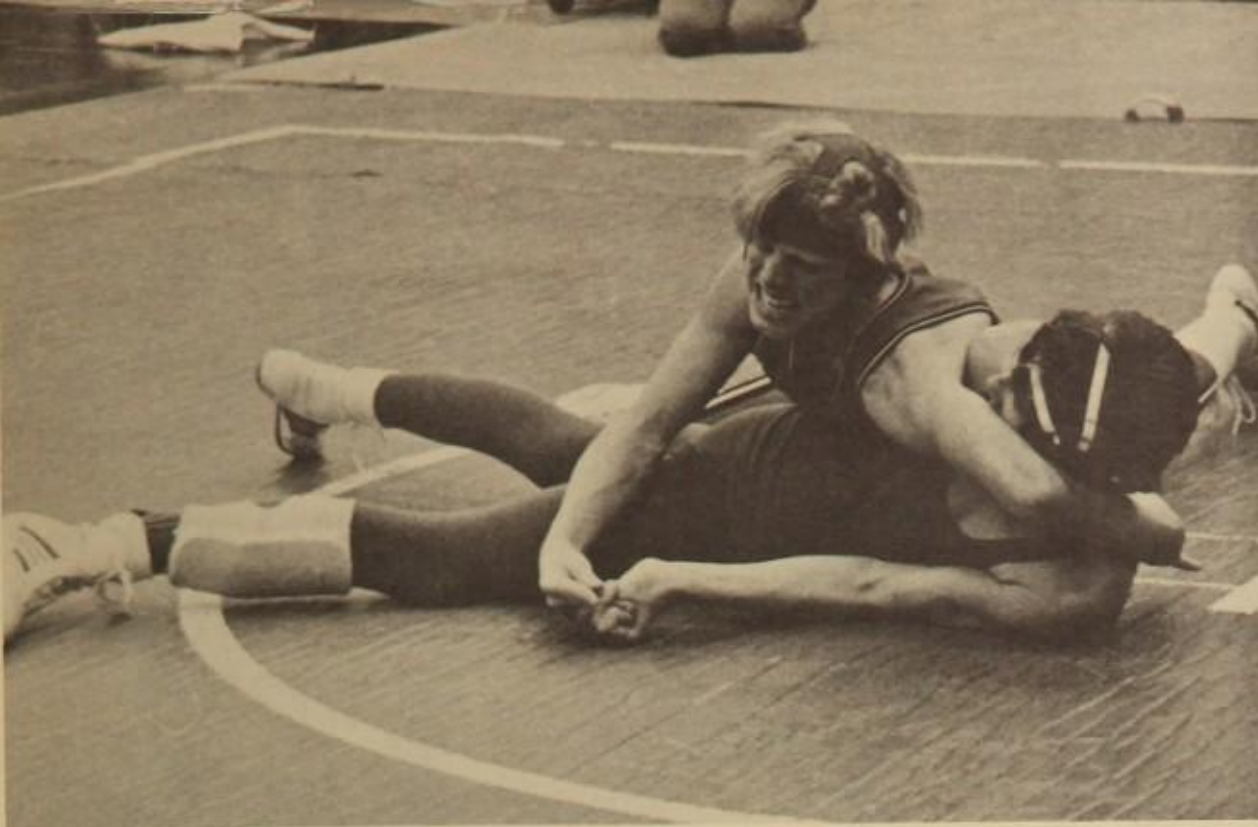

JV, Brent Pugh, got a takedown against Santiago foe.

JUNIOR VARSITY WRESTLING - Top Row: J.Fenton, C.Loprest, B.Tatum, T.Hamner, T.Henderson, P.Asbra, T.Connolly, R.Ritchie, D.Cadman. Second Row: G.Cadman, S.Matucci, B.Auday, E.Gretch, J.Craven, F.Brimlow, B.Killinger, D.Henry, S.Morris.

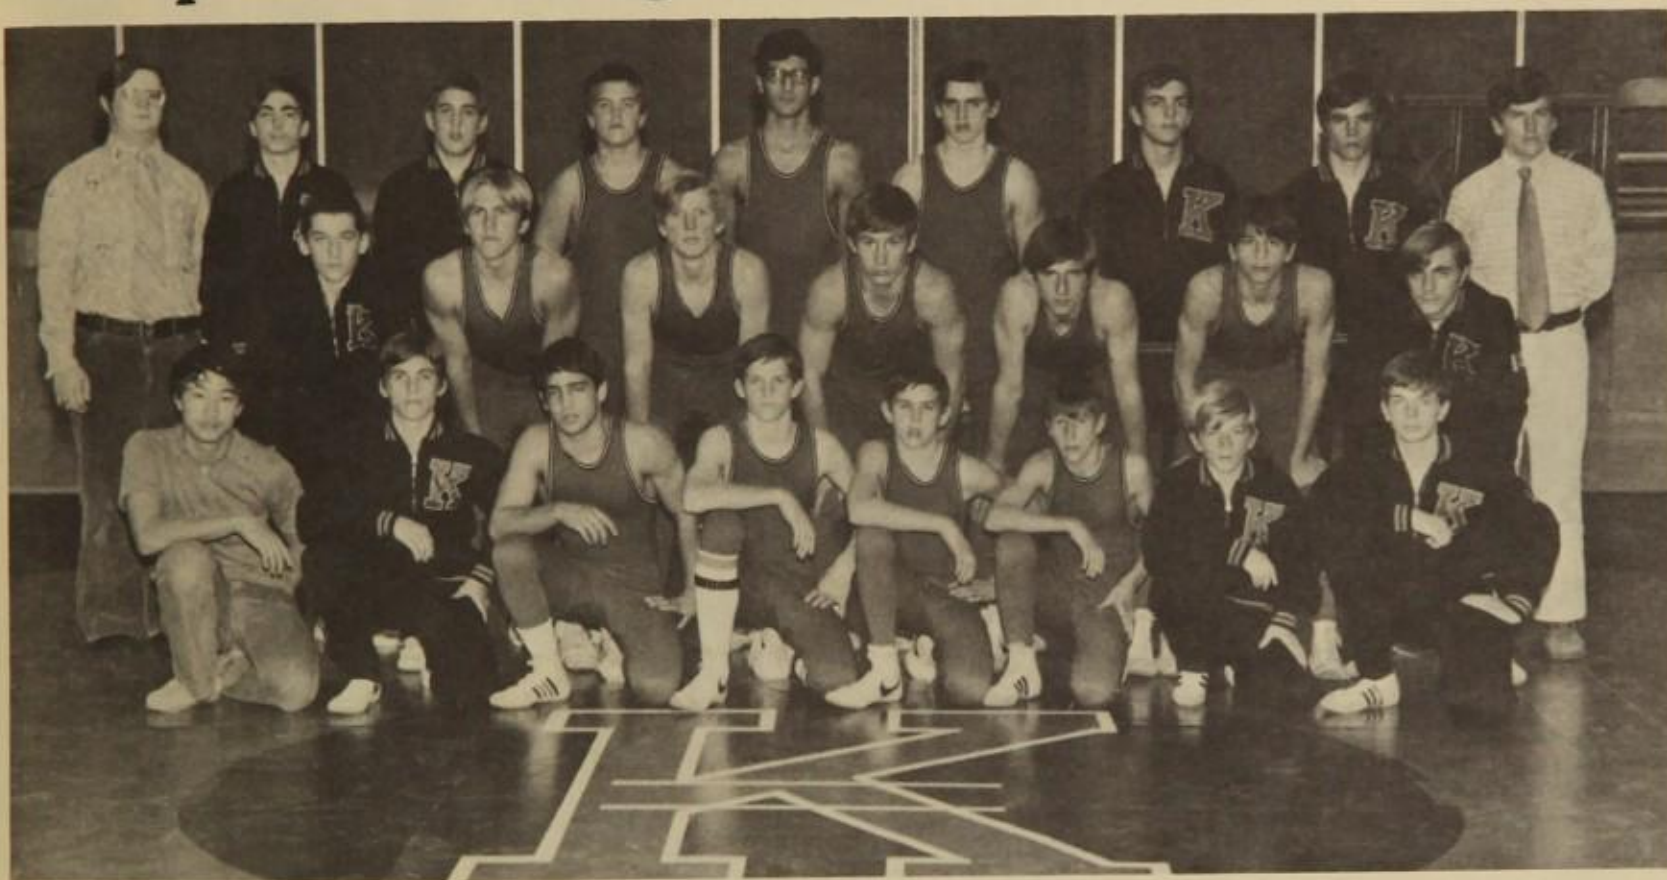

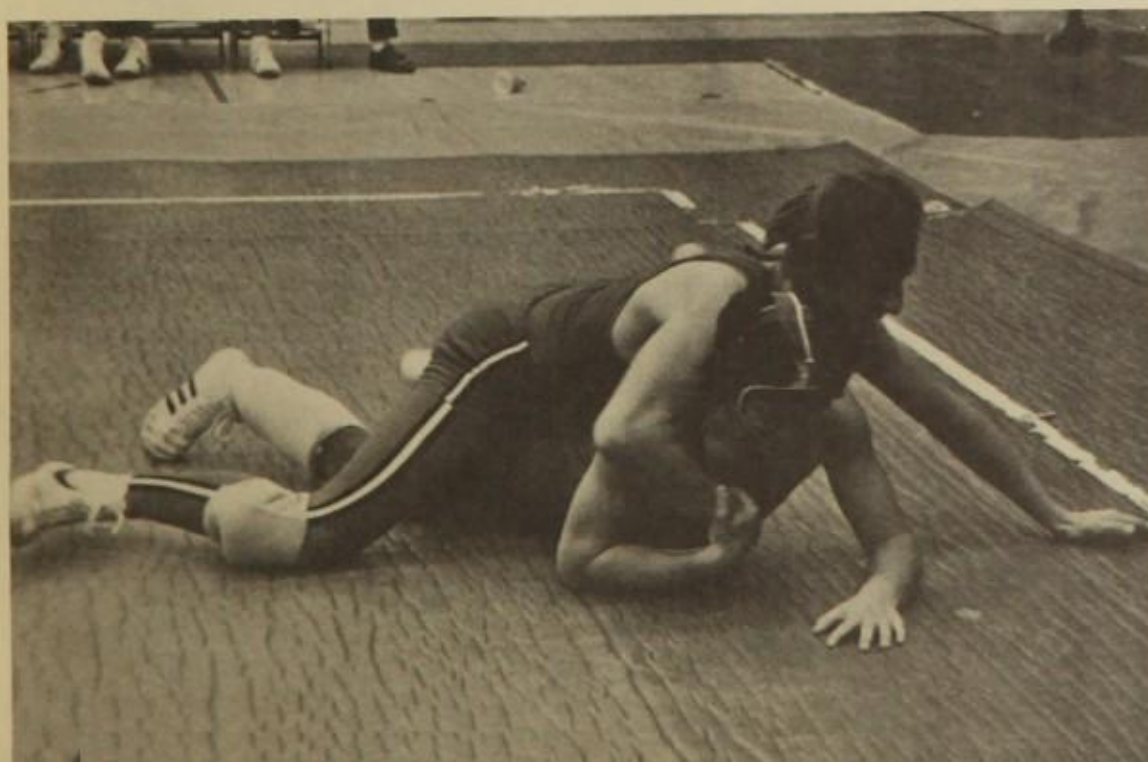

Ted Borowaski tried hard for a much needed pin against league foe.

This year's wrestling program brought some pride back into the apathetically minded student body. This program was built almost solely by one man, Mr. Phillips. With much help from his right hand man, Coach Werschke, they set out and accomplished seemingly impossible goals. With a wrestling mat as their number one goal, the team began earning money in numerous ways such as swap meets, car washes, concessions, and trash pick-ups. Adding to it the donations of concerned parents, the team met their goal and was able to obtain \$500 in uniforms, a scale and mat carts. The feeling expressed by Coach Phillips was that this was a great accomplishment and must be ruled as the highlight of the season.

In the background there were always important people who didn't get acknowledged. Mr. Mikulics and Ken Kaylor helped out greatly.

Katella starters Mike Stieb, Matt Whieldon, Tod Lychkoff, Tim Dewald and Jeff Welshans huddled before their game against Marina.

Knights triumphed in pre-season play

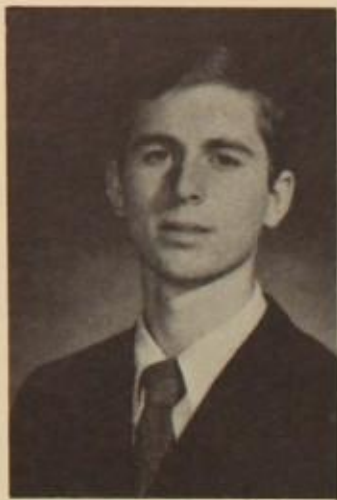

Sharp-shooting guard Mike Stieb took a jump shot in pre-league action.

Katella's pre-season was a disappointment compared to last year, but the hard fighting roundballers came home with one tournament championship in their pocket and an armful of tournament wins. Marina supplied tough competition for the Knights as they edged them in two close games, one taking away the possibilities for a Marina-Westminster Championship. At Anaheim's Convention Center, Katella topped all competition with strong playing by Jeff Welshans, Tournament Co-MVP, and Matt Whieldon All-Tournament. Also Rick Neubauer came through as he proved he could play with the upperclassmen. The final game of the C.C. Tournament proved to be a heart trembler, as Matt Whieldon's five foot desperation shot with one second showing on the clock, clinched a see-saw battle against a tough Huntington Beach team.

Junior backcourt man Rick Dunn, looked for the open man in semi-final confrontation against the Loara Saxons.

Improvement is one of the highest goals set by a team. This year's basketball team reached this goal and didn't stop. Led by Jeff Welshans, Matt Whieldon, and Todd Lychkoff, the Katella roundballers captured the Crestview League crown for the fourth consecutive year. Only losing one game of the season, Katella rolled past opponents especially during the second round. Besides having the usual strong inside game with Welshans and De Wald, Lychkoff, Whieldon, and Dunn supplied the needed points from the outside. Off the bench, Pat Cadwell, Rick Neubauer, and Tim Doyle did fine jobs. Coach Danley led the versatile Knights to a great season and turned out one of the finest teams in the schools' brief history.

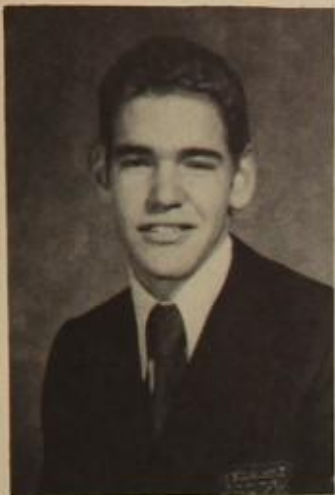

Katella's most physical forward, Tim Doyle, shot one of his rare but good outside jumpers.

Katella entered its seventh straight CIF playoff with North High of Riverside, with a rousing 82 to 47 win. Katella moved on to face a hot shooting Santiago, and only with a good team defense was Katella able to overcome a 13 point deficit to win 56 to 40. Colton was Katella's next victim, with a 88 to 56 win. Crestview League foe Villa Park was Katella's opponent in the semi-finals. Good team ball led Katella to a 55 to 53 win and a shot at Morningside in the LA Sports Arena. The Knights gave a valiant effort, but fell to Morningside 49 to 55, to capture Katella's third CIF runner up spot. Even though the Knights were not able to obtain the elusive CIF crown, Coach Tom Danley was pleased with the all out effort given by the team. With Jeff Welshans scoring nineteen points in the final game, he was named to the all tournament team and later was named a first team all CIF selection. Other awards for the round-baller stars included Tod Lychkoff as second team Big A Empire, along with Matt Whieldon and Tim Dewald receiving Honorable Mentions. Welshans took top prize as Big A Empire Player of the Year. As in past years, the rugged Knights finished as one of the finest teams in the Southern California spotlight.

This year's J.V. team, led by head coach Jim Whieldon, captured a first place tie with Tustin making it the first J.V. team ever to do so. Showing the depth of the team, captain Neil Hinds was one of four guards who could start at anytime. The turn out for the team was so good this year, that many of the group had to alternate uniforms every game. If the numbers at the J.V. level stay the way they were, you can bet that the varsity program will remain a powerhouse for many years.

Sophomore Basketball: R.Miramontes, B.Patrick, S.Walden, C.Duncan, J.Cave, G.Ramsey, J.Echevarria, R.Harvey, M.Domene.

The Soph. and Soph. JV. teams opened league on a bright spot with both teams beating Tustin. From then on, the Cagers were inconsistent in their play. The Sophomores had a real tough year as they lost 7 games by no more than five points. On the other hand the Soph. JV's lost all seven pre-season games, then turned around their season by having an 8-6 league record. There was not a really outstanding player for the sophomores this year, but all starters, Rich Harvey, Craig Duncan, Burt Patrick, Mike Domene and Greg Ramsey did well.

Horsehiders captured district tourney

Baseball is an unpredictable sport at Katella, but this year's varsity team was predicted to win many games throughout the season. This year's baseballers put in their pocket the fourth annual Anaheim District Tourney, along with a handful of preseason wins. With juniors Steve Graham driving in the runs and Lanny Gore throwing the peas, the varsity team looked forward to a promising, but tough Crestview League race. This year's varsity outfield had two returning starters, Brad Purcha and Bill Keith, along with Mark Baltes and Jeff Knapp who shared the honors in right field.

The infield was anchored at the corners with juniors Dell Leutbecher and Steve Graham, while Lanny Whitcomb and Doug Domene held the middle intact. Derek West handled the catching chores, while Lanny Gore, along with Kim Phelps and Joey Hall were the stronghold of the pitching squad. Coach Noel Sweeny's Knights looked for a rewarding season and obtained just that.

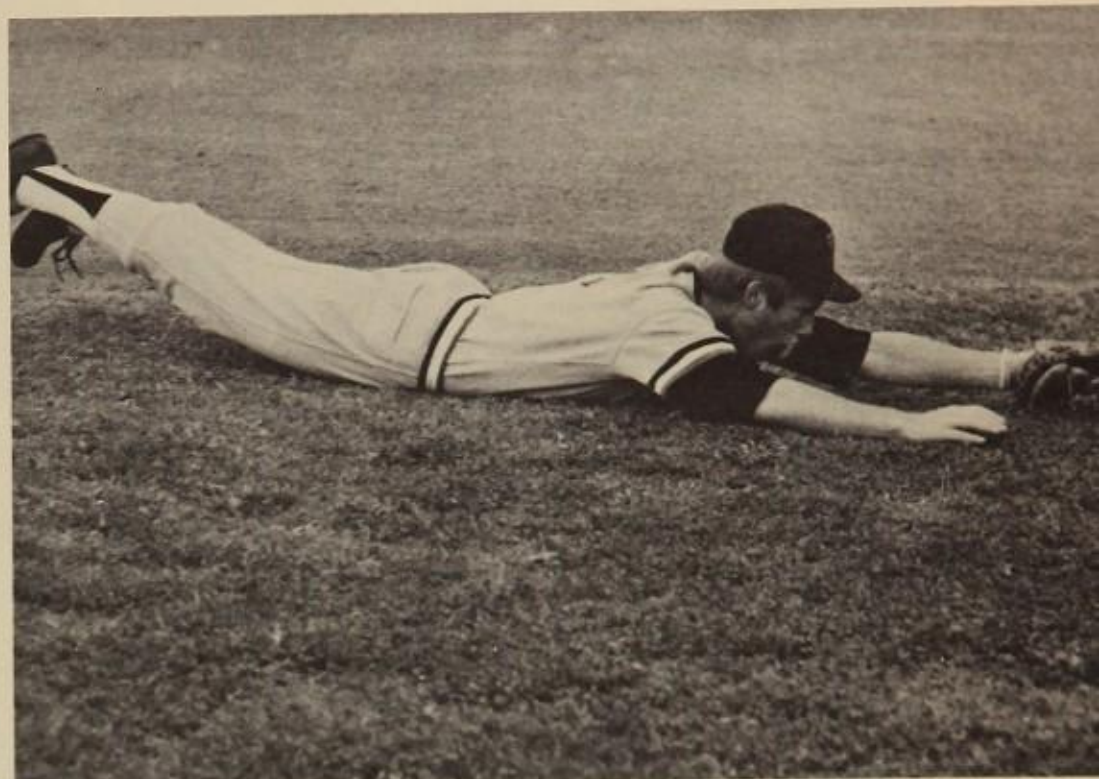

Left: Senior catcher Derek West caught some warmup pitches before the start of the game. West proved to be a great asset for the varsity team.

Under the guidance of Coach Dick Werschke, the Junior Varsity at Katella High rolled over opponents with much ease. While Greg White, Bill Small, and Mike Domene were blowing down would-be hitters, Bill Benbow, Tim Howles, Jim O'Dwyer and Breck Auten were ripping opposing pitchers. Consistency was an important aspect stressed by Coach Werschke. The team improved with every game as pride was developed through the season.

leadership of new baseball coaches

Third baseman Rob McQuillen prepared to make the play to first.

Sophomore Bob Gore vigorously pitched to opposing batters.

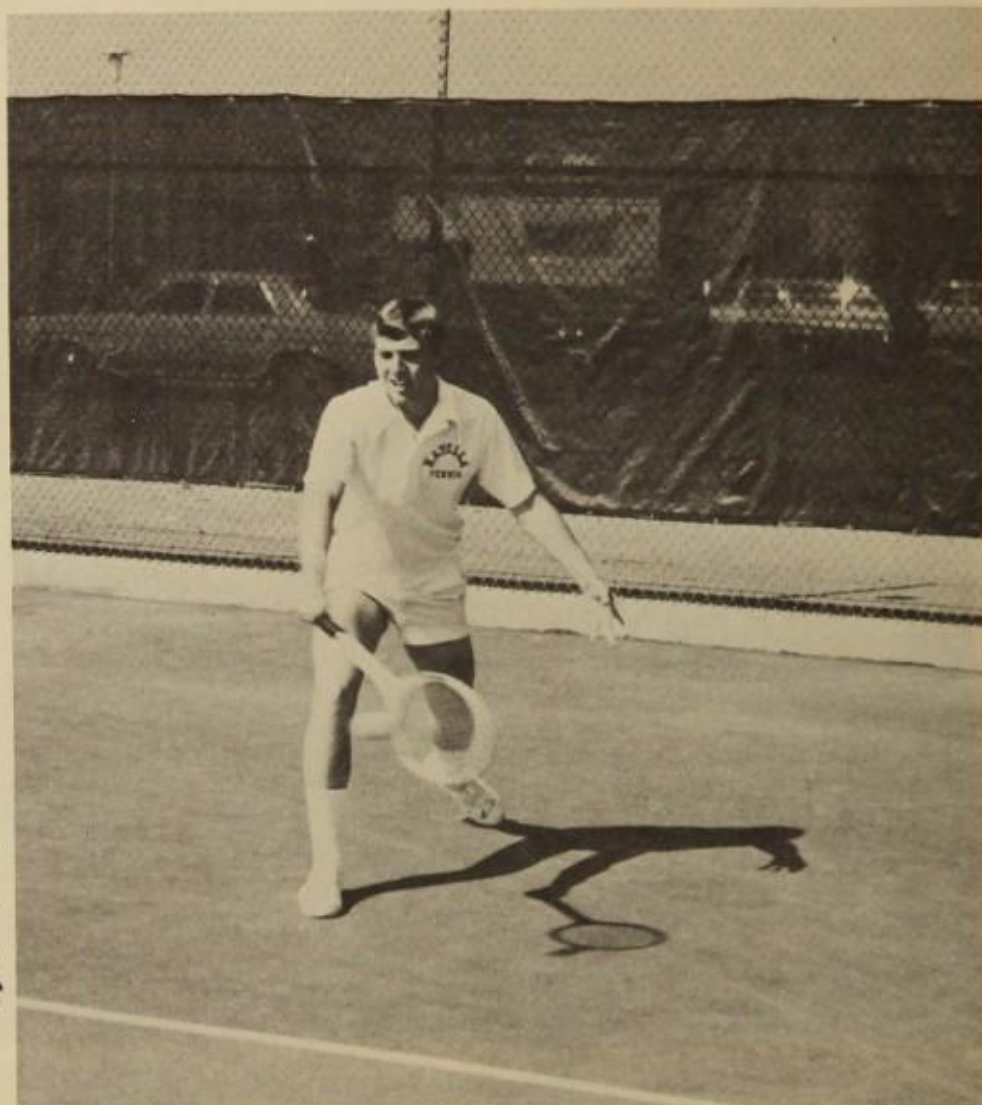

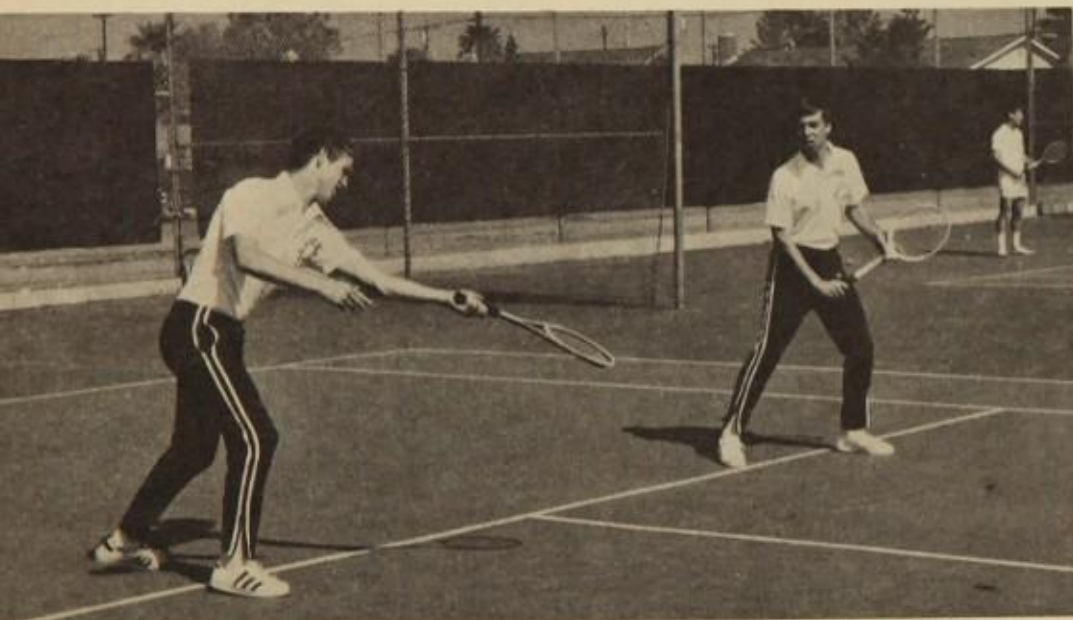

Promising shortstop Kris Locken made the throw from the hole.

Under the direction of new coaches Cal Johnson and Paul Leiferman, the Sophomore baseball prospects looked bright. Bob Gore achieved a promising start as pitcher with his consistent accuracy. Infielders Kris Locken and Rob McQuillen proved themselves as valuable assets to the team. Steve Rime, Bill Huskey and Chris Gastmeyer all did fine jobs in the outfield. New techniques were formed and adapted by the sophomore prospects who improved their skills throughout the season.

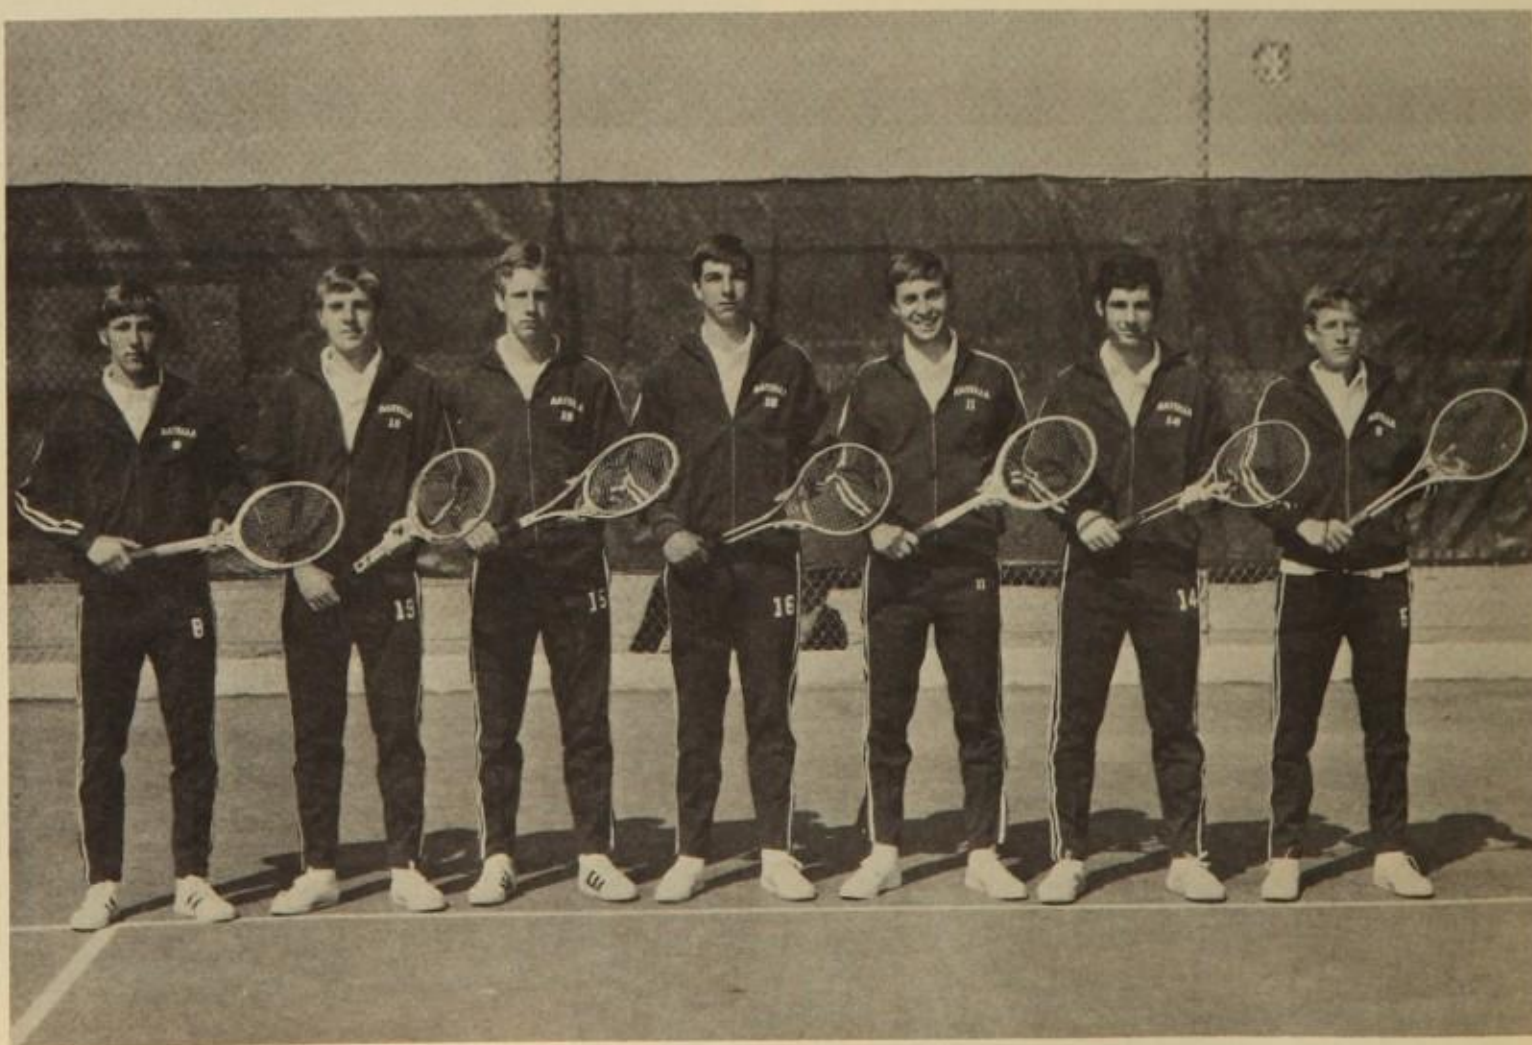

Racket-men rallied to win with five experienced lettermen

Supplied with a good base of returning lettermen, Coach Gary Smith looked forward to a promising season. The athletes underwent long hours of training, learning the fundamentals and gaining the experience for a successful team. Led by seniors, Ron Garber and second year man Clyde Waite, at first and second singles, the netmen posed an ominous threat to all rivals, with main league competition coming from Foothill and Mission Viejo.

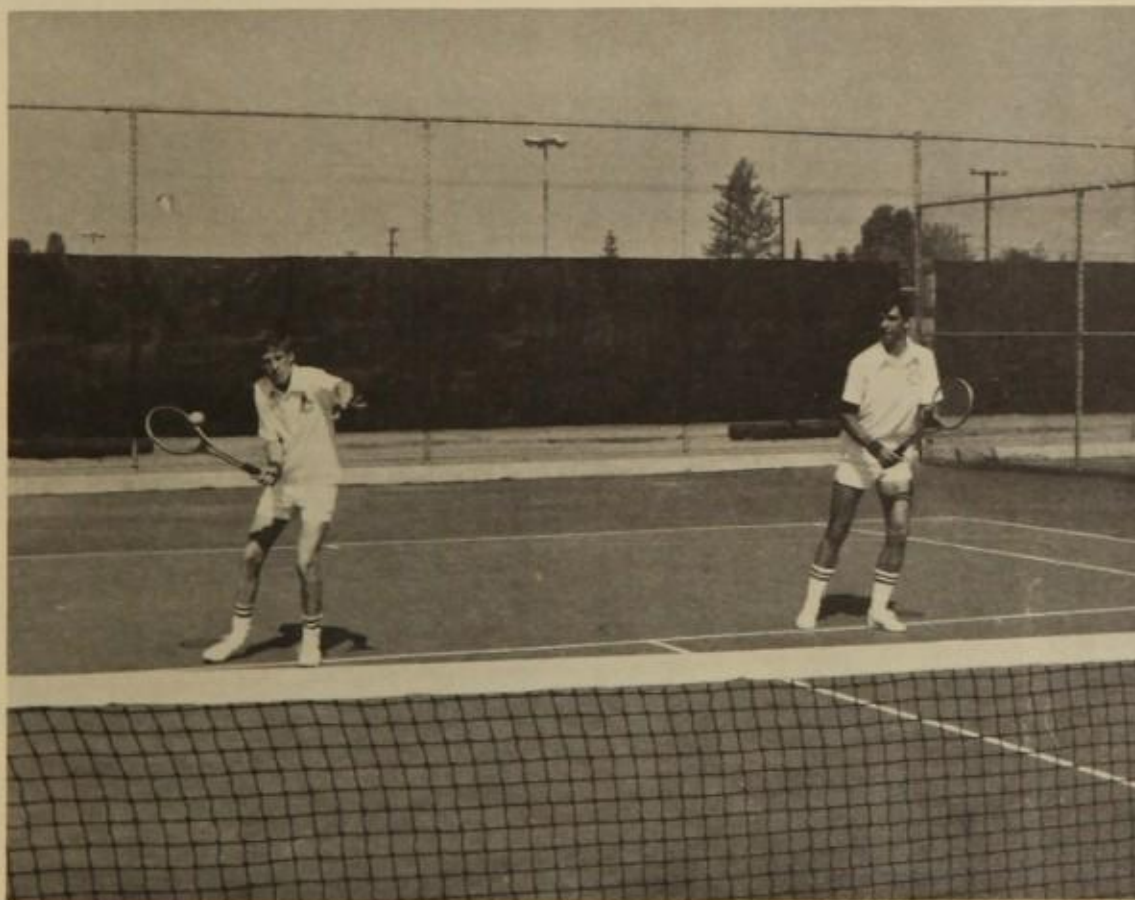

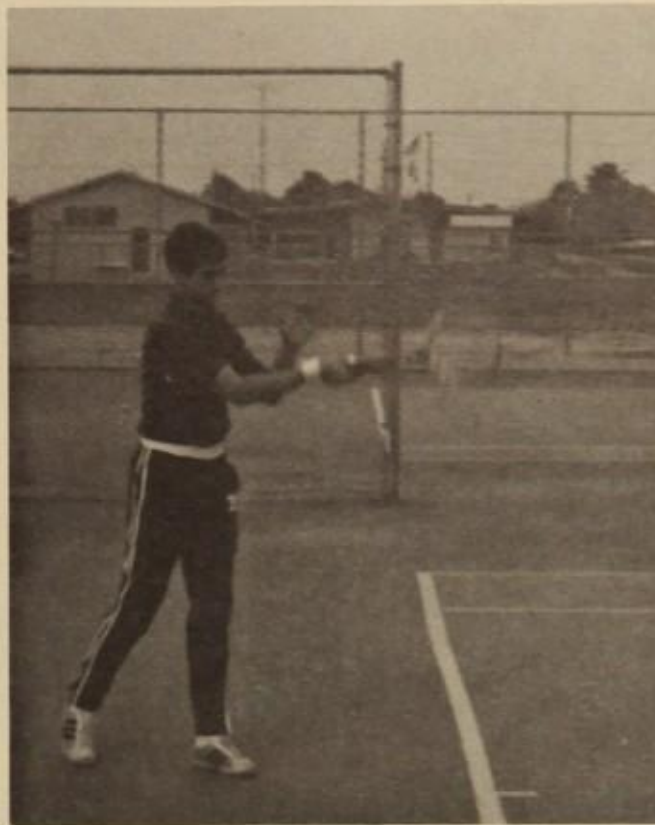

With returning Varsity lettermen, Mike Krick, David Lacob and Joe Lacob at doubles, strength and experience was added to the Knight's effort. Marty Johnston, Brian Auday and Steve Kaplan did their part in adding to the singles department.

Golf Team made drive to be # 1 on fairway

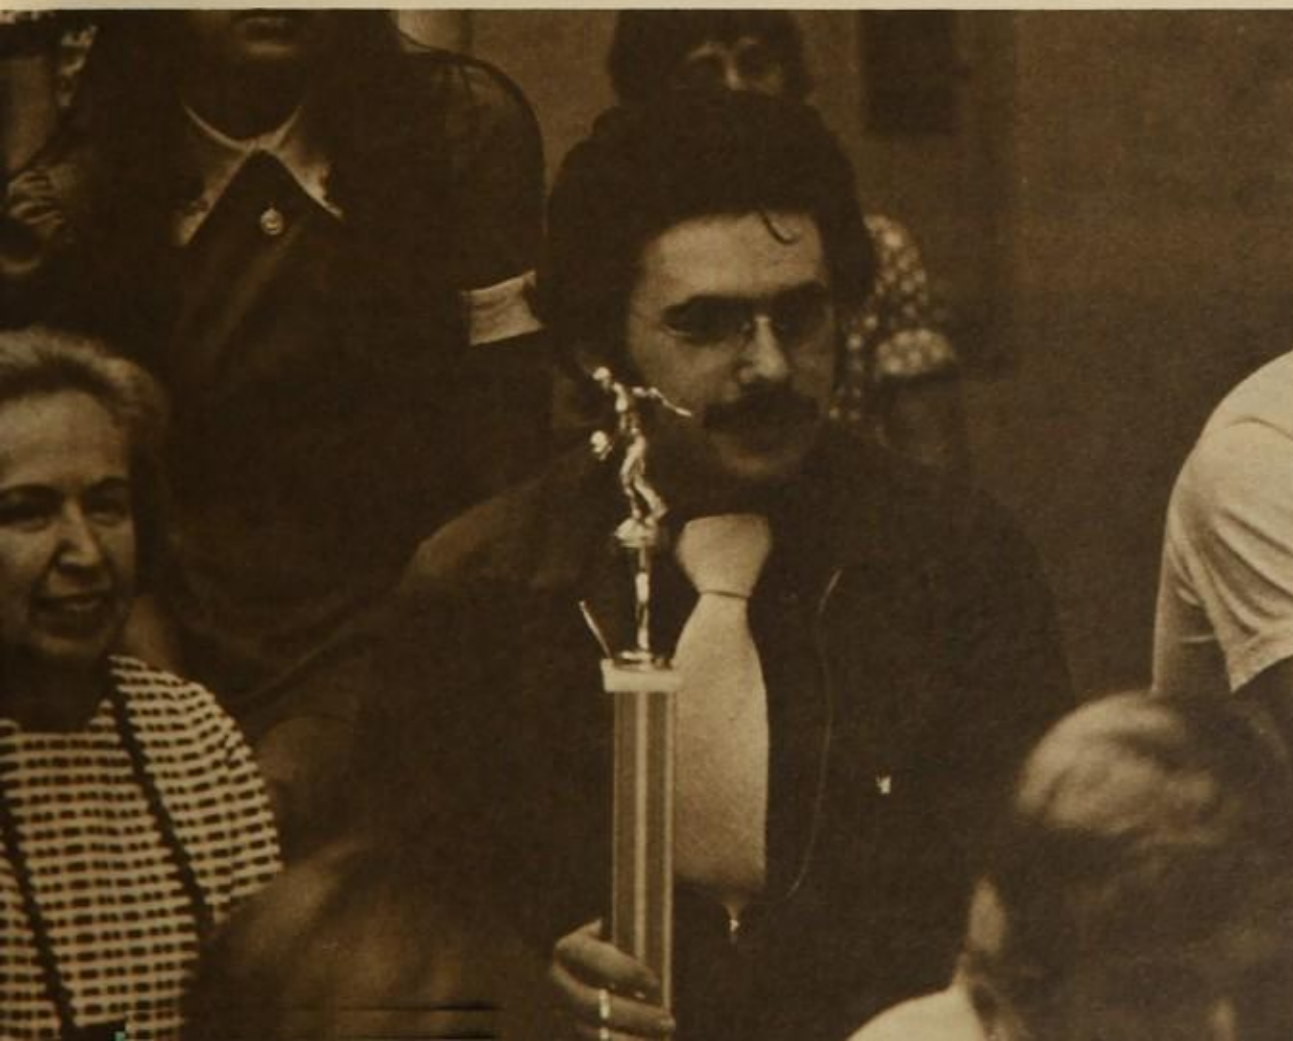

Looking forward optimistically to league play, the 1974 golf team proved strong in a highly competitive conference. The golf team consisted of Mark Larson, Greg Gruss, Jeff Duncan, Mark Johnson and Dan Nickles.

Katella's home golf courses were Anaheim Hills and Anaheim Municipal. Coach Chuck Denny was pleased as the season progressed.

Social attitudes reviewed during year

The Social Science Department of the past year offered a variety of courses and subject matter for the students, ranging from Psychology to United States and World History. Social Science teachers tried to relate historical situations of the past to present day happenings. Teaching the student the important facts of history and society, so that he would be able to cope with today's problems, was the main goal of the department.

Through their foreign language classes, students were shown both differences and similarities of the languages and cultures of other people. Teachers aimed to advance students' ability in understanding and speaking their particular language. Classes were made interesting by the teachers' personal experiences in the countries of their specialization. The presence in class of natives from France, Mexico, Venezuela, Germany and other countries made language come alive, as did trips to see the native dances and music and the sampling of foreign cuisine.

Students who wanted a math course which met the needs for everyday use, were given the new consumer math course by Mr. Slocum. Students wanting more than this went onto Calculus, Analysis or Plain and Solid Geometry. Teachers focused on helping to prepare math and engineering majors for college study.

Students have always looked forward to P.E. as a period of relaxation and fun. This year was no different. With the introduction of backpacking and skiing to girls classes and the expansion of the gym facilities, hopes for diversifications were raised. This year Knights excelled in athletic endeavors, successfully completing 1,620,000 push-ups, and equal number of sit-ups, jumping jacks too numerous to count, and occasional leg-fits depending on the mood of the coaches. The department creativity was exemplified by these advancements in the areas of running four corners, side-stepping, and butt ball.

Salable skills learned in Home Ec. and Business

The Home Economics Department taught the ways and means of being a homemaker. Classes were shown how to tailor a garment to fit each individual and the special effects clothing can give someone. Home Ec. I and II were also given lessons on cooking and serving, and had a special Thanksgiving Buffet where many teachers attended as guests.

Students were taught how to feel at ease and do productive work in the Business classes. Many learned typing, shorthand, and how to use various office machines. Model office was a two period session this year where a few select students were taught what goes on in an office job.

Special Education's purpose was to send out educationally handicapped students, 16 and over, to the Vocational rehabilitation agency. Here they were tested and trained to see what they were best skilled in, and then they were given a job. Students were given a new opportunity to express themselves and their ideas.

Learning and searching for the answers to science was the primary goal in the Science Dept. this year. Oceanography field trips were taken to explore tide pools at Corona Del Mar. Second semester brought a new subject to Katella, a Horticulture class, which taught students about plants and their care, while using the greenhouse.

Health-Drivers Ed. basic aspects of sophomores life

This year the Driver Education classes experienced a new system where one day classes would study driving procedures, the second day they would use the simulators to practice it, and the third day they would drive the car. By the end of the course they were ready to obtain their drivers license, after reaching the age of sixteen.

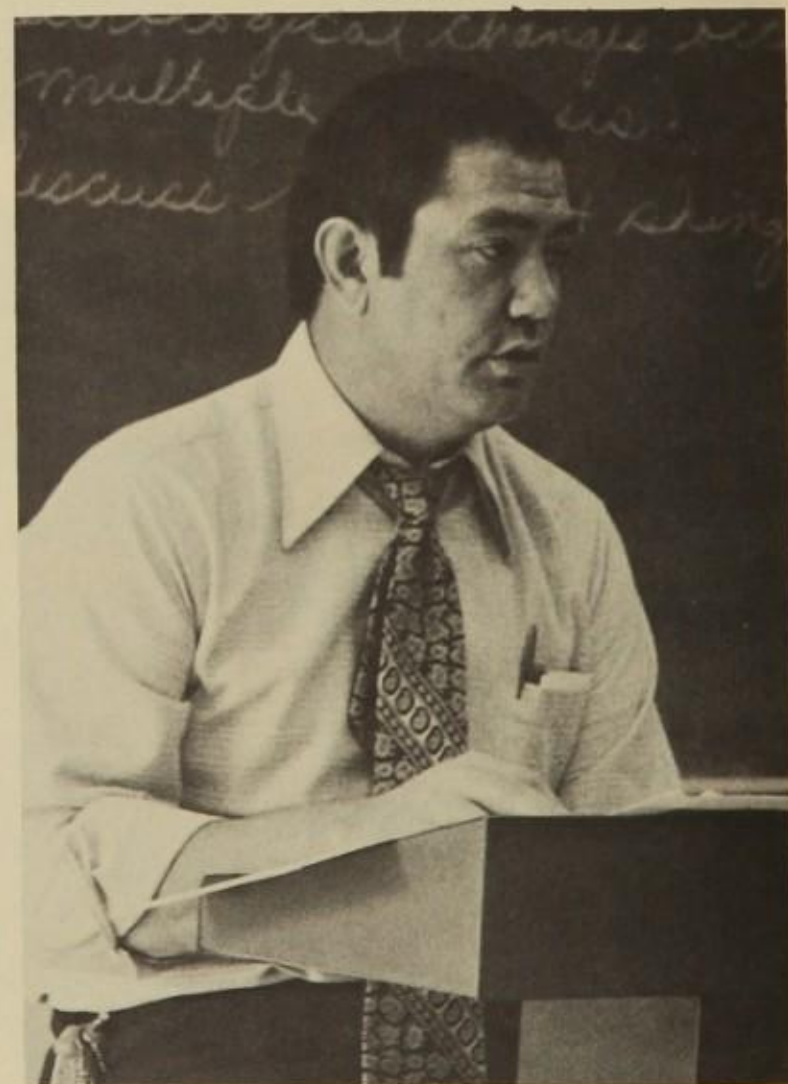

The second semester the Health Dept. introduced sophomores to the different aspects of Health, learning the bones and parts of the body, knowing standard First Aid, and finding out the healthy way to live.

Industrial Arts again offered relief from the usual class schedule. Classes in Auto Mechanics, Drafting, Small Gasoline Engines and Construction gave people a chance to **do** something. Compression ratios, cracked blocks, and gapping spark plugs were commonly discussed in Auto classes. Construction students erected playhouse-like structures and had almost as much fun building them as they did tearing them down. Drafting students learned how to section objects and use perspective in drawing.

Art classes used a variety of mediums as well as a variety of teachers. With the absence of Mr. Wade, two teachers Mr. Moraitis and a new Mr. Wade each taught one semester at Katella. Many students took the class Arts and Crafts simply for the joy of casting a ring or dyeing a batik. The amiable personalities, who pleasantly enough happened to be the teachers, made the classes more rich.

Secretaries conquered formidable tasks

Katella's band of lovable ladies again made their presence known by the thousands of industrious projects they kept going throughout the year. Formidable stacks of paperwork were devoured as they filled out re-admits, call slips and ASB checks, typed recommendations and transcripts, took care of library business and sorted the jungle of the Main Office. Anyone spending a day at Katella came into contact with at least one of the likable besweatered secretaries. With their politeness and ever-smiling disposition they were an asset to the school and just plain fun to talk to.

Sophomores easily adapted to the life of a Knight

When the sophomores first arrived at Katella, it was a new experience. After a few days, they became acquainted with the traditions of the Katella Knights. Many of the sophomore students became involved in school activities by joining school clubs, participating in sports, and most of all by showing the "Spirit of '76".

With help from the sophomore student cabinet, consisting of Steve Dolan, Amy Christiansen, Teri Lae and Ruthie Hernandez; the sophomores were able to make this the most spirited sophomore class Katella ever had.

Class Officers: Standing; Robi Blackwell-Treasurer, Steve Kaplan-Vice President, in Swings; Bev Prentice-President, Judy Molina-Secretary.

Juniors trained for next year's Senior obligations

The Class of '75 proved themselves to be a relaxed, easy-going, spirited group throughout the year. Selling key rings and planning for the Junior-Senior Prom occupied most of their time. Early in October, the Juniors experienced one of the greatest thrills of being a Katella Knight, that of receiving their class rings. Waiting in long lines proved to be worthwhile after all. In late fall, Juniors prepared for the Scholastic Aptitude Test by taking the PSAT/NM-SQT.

Centering their activities in clubs, athletics and other areas, developed their personal interests and talents which gave needed variety to the school.

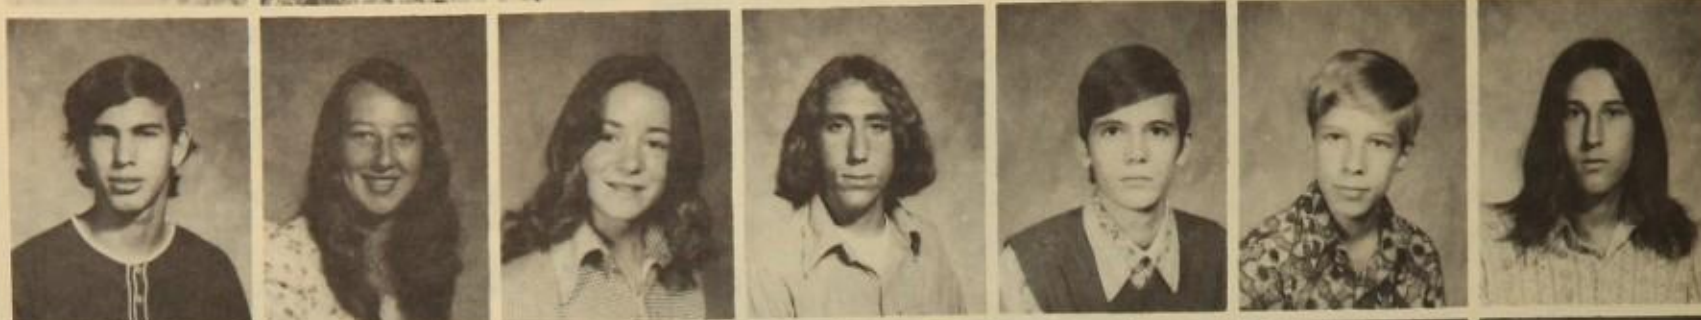

Left-Karen Bell admired Jolene Italiano's ring style.

Senior's graduation brought new goals

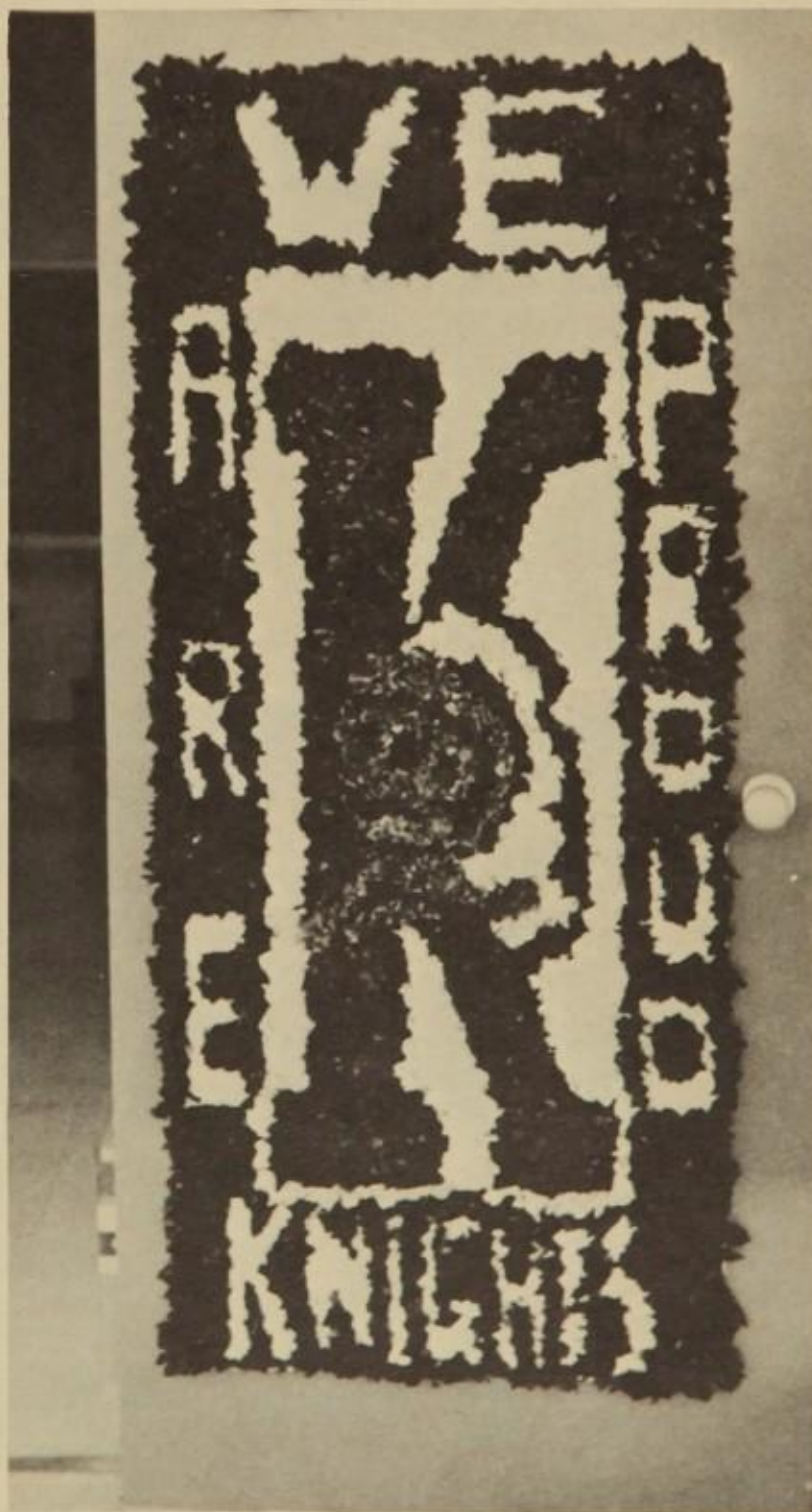

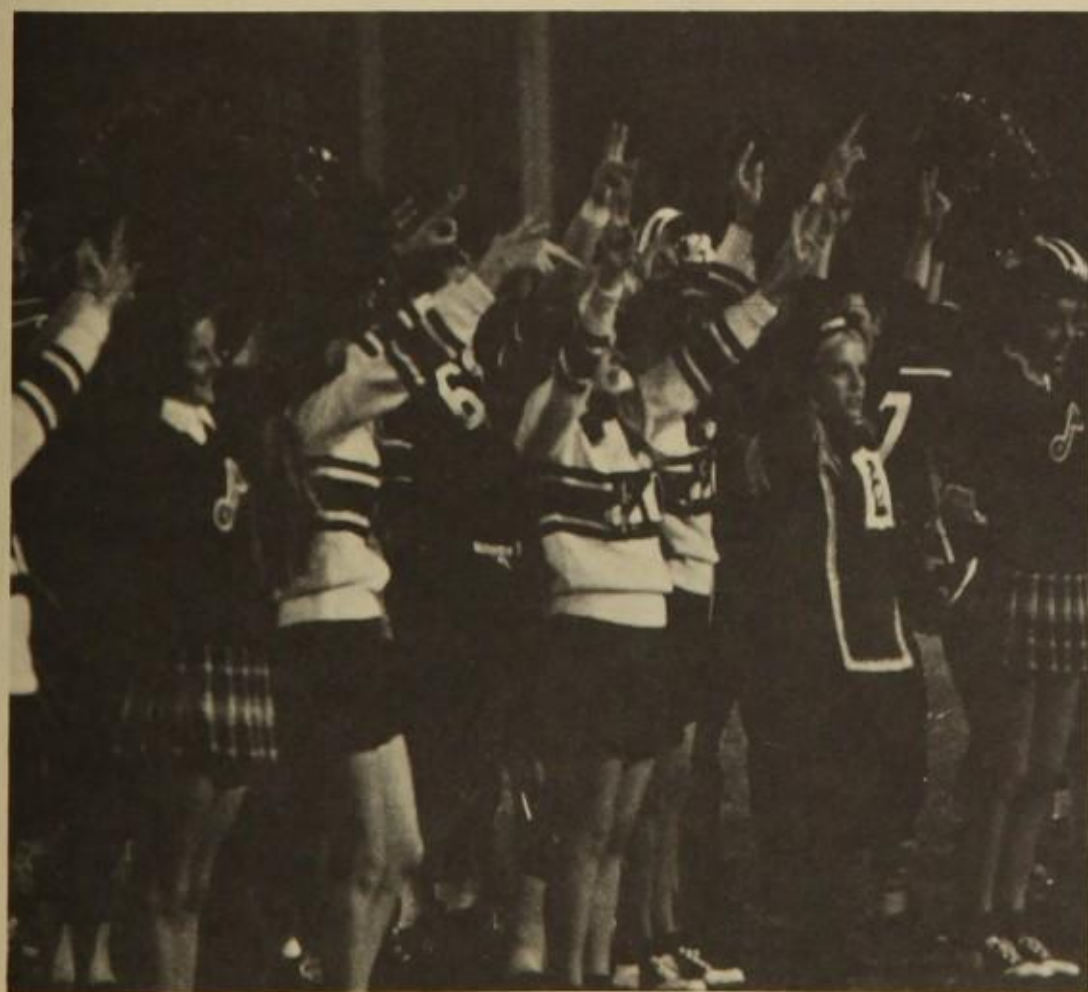

Katella's Senior Class of 1974 held within itself many individual talents. These fine qualities centered on the students as unique people and bound them together as a unified group. The focus this year was aimed toward change and development both of which through optimism and determination were successfully attained. Many projects begun in years past were finally completed and seniors concentrated their efforts toward final touches.

The experiences filling the lives of the seniors taught them to approach new problems and situations intelligently, easing them one step closer to their future. With graduation came anxious hopes for a challenging future, while unforgettable memories of high school remained still and untouched.

Onward Mighty Knights . . .

Throughout the year the 1974 Class was busy with many different projects and activities. The year started with the ASB Cabinet taking a survey from all the students to find out what they were thinking and what they wanted.

Following came the approval for money to build a series of planters for the lunch area to help break the "parking lot" atmosphere. The Senior Class changed tradition by giving their class gift during the month of February. The purchase of a sound system was made possible from the profits of the successful Homecoming Dance.

Throughout the year one could notice a difference in the attitude and spirit of the students of Katella, particularly the Senior Class. It was a classic example of a group of kids realizing that this was their last year of school and that they might as well try and make the best of it together! Soon the day came when the Student Park was completed, capping a two year job. Although still far from being completely finished one must agree that the front of the school looks alot better.

Finally the big day all seniors had been awaiting for ... graduation! The end of a long hard 12 year struggle was over with a sigh of relieve. Memories can be held and the accomplishments can be glamourised as we all look through the fulfilling years of high school.

Respectfully yours,

ASB President

Rory Butts
